### **Dogs in Public Places Policy**

#### **1. PURPOSE**

The purpose of this policy is to recognise that dog controls in public places is necessary, and implemented on a balanced approach, for the benefit of all members of the community.

The policy will guide the community with respect to understanding dog control rules within the municipality and conditions that apply in open public spaces to ensure community safety, environment protection and fair and equitable access to such spaces.

#### **2. SCOPE**

The policy applies to all areas within the municipality.

#### **3. REFERENCES**

- **Domestic Animals Act 1994**

#### **4. DEFINITIONS**

- Road has the same meaning as ascribed to it by section 3 of the **Local Government Act 1989**.

#### **5. COUNCIL POLICY**

The following principles will be used for the implementation of this policy:

##### **a) Off Leash ‘Supervised’ Areas**

##### **Locations**

Dogs are allowed off leash and supervised in specific designated public open space areas and/or any area as indicated by the relevant signage. This includes, amongst other designated public open spaces:

- Those paths and adjoining land located on the Fyansford Common and the shared path on the northern side of the Barwon River upstream from the Queens Park Bridge to Fyansford Common including (Zillah Crawcour Park);
- Sporting grounds/ovals (playing area) outside times when being used for organised sports, including training (as defined by a formal booking with council);
- Sporting complexes/reserves – outside times when being used for organised sports, including training (as defined by a formal booking with council);
- A range of Reserves as listed in Table 1;
- A range of broad open space parks as listed in Table 2 and as represented by Map 2.

Council will review the effectiveness of these ‘Off Leash – Supervised Areas’ on an ongoing basis and will also consider any request for new ‘Off Leash – Supervised Areas’ to be established based on the following criteria, which will ensure safety, and equitable access to such spaces. These include:

- Linear open public spaces (i.e. green corridors, easements) may be considered if there is sufficient width to ensure safe use and passage
- Public open spaces that do not contain a playground or where the playground is fully enclosed/fenced. Open public spaces with centrally located playgrounds are not suitable as an ‘Off Leash – Supervised Area’

- Public open spaces that are located at a safe distance from busy roads
- Any other public open space not mentioned above that is not adjoining/adjacent to a water body and where no wildlife is present
- Places where there is no detriment to public safety or the environment through the use of such open public spaces
- Suitable open spaces will be reviewed annually to monitor performance and identify any additional reserves that may be suitable as 'Off Leash – Supervised Areas'.

**b) Conditions Applicable to 'Off Leash – Supervised Areas'**

The following conditions must be followed when using the 'Off Leash – Supervised Areas':

The handler must have a dog lead in their possession and place their dog back on the leash when leaving the off leash area.

- The handler must be able to demonstrate audible control of the dog;
- Dogs must remain in visual and audible range of their handler to allow it to be effectively recalled at any time;
- When encountering other people or animals using this area, the dog must be recalled and restrained until both parties have moved apart at a safe distance;
- Dogs must not enter water habitats that contain wildlife, beach nesting birds or chase wildlife in these areas;
- Dogs attracted to the motion of wheels must be controlled at all times;
- Dogs that are aggressive to people or other dogs, behave in an anti social manner, or are over excitable should be muzzled when in public and not to be off leash; and
- Dogs declared menacing/dangerous/restricted breed are not permitted to be walked off-lead in 'Off Leash – Supervised Areas'.

**Signage**

- Signs will clearly indicate those parks, reserves or public open spaces where dogs are permitted to be off a leash and supervised.

**c) On Leash 'Controlled' Areas**

- Within the City of Greater Geelong, unless otherwise designated by signage, all public open space areas shall be designated as 'On Leash – Controlled Areas' (public open space areas includes roads, footpaths, beaches, reserves, parks, playgrounds and other council lands and buildings).

- Beach foreshore and coastline areas (except those designated otherwise).

**Conditions applying to all ‘On Leash Controlled Areas’ and ‘Off Leash Supervised Areas’**

- The handler must at all times have a means to pick up and dispose of dog droppings – penalties apply.
- Dogs when tethered must never be left unattended anywhere e.g. play equipment, shopping precincts.
- Leads must not exceed 2 metres in length.
- Retractable leads must be restricted to 2 metres in length in ‘On Leash – Controlled Areas’.

**f) Dog Controls in Coastal and Other Open Space Areas**

The following maps show various coastal beaches, reserves and open space areas within the City of Greater Geelong. The maps commence at the south western boundary of the municipality and work around the coastline to the north eastern boundary near Little River.

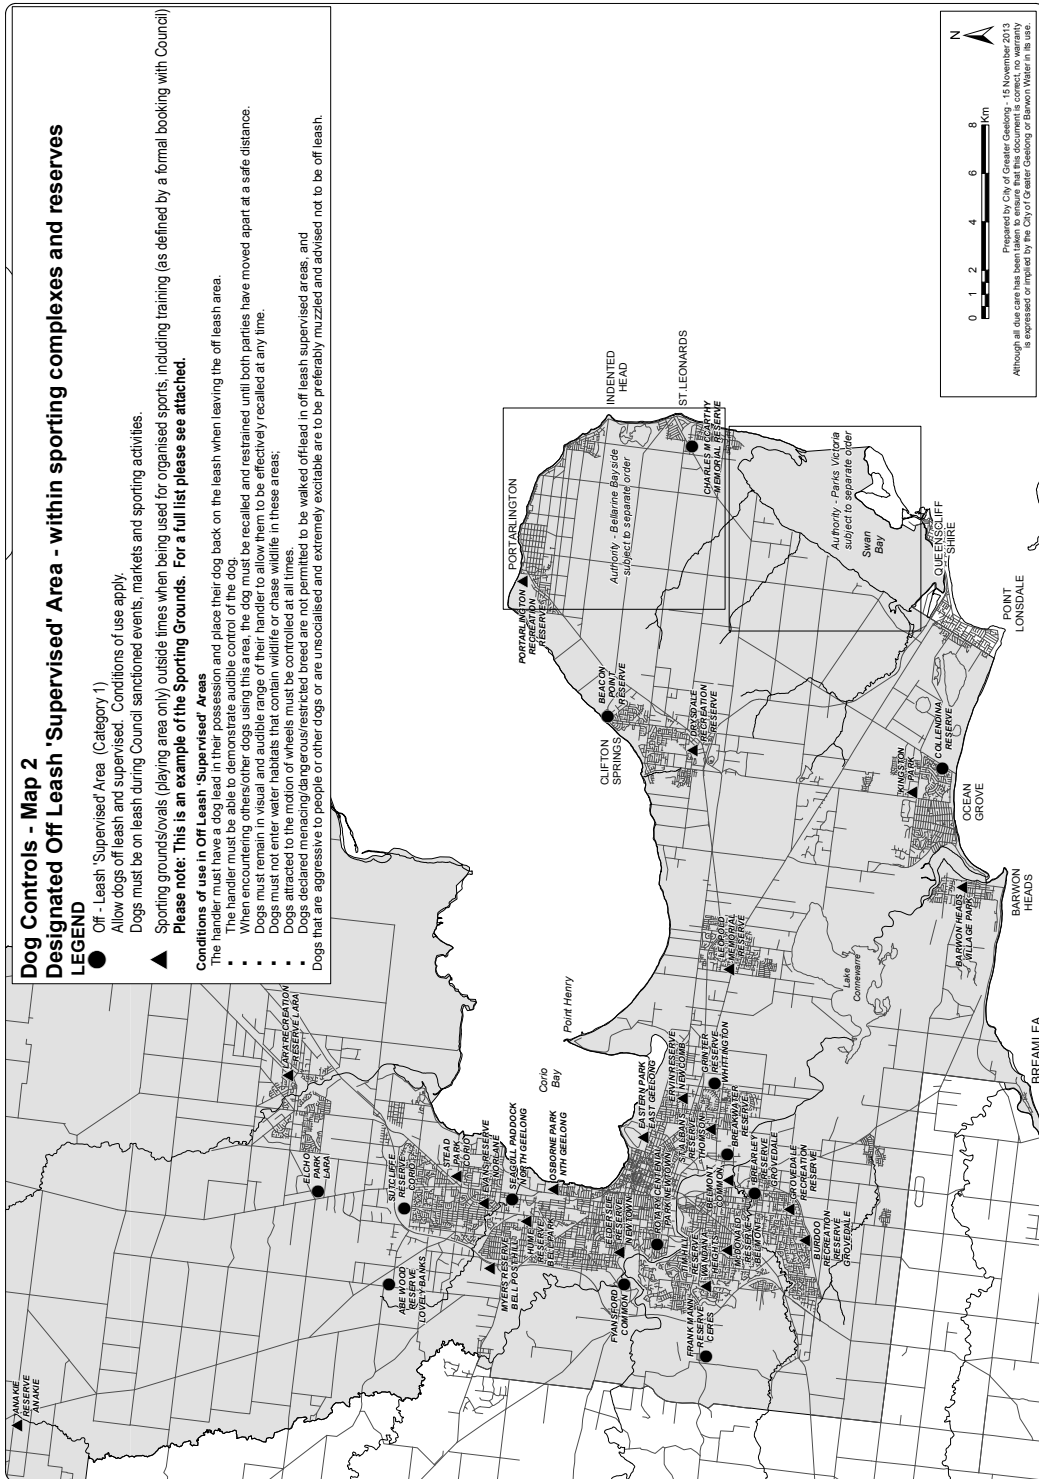

<b>MAP NO.</b>	<b>DESCRIPTION</b>
Map 1	Overview of Municipality Coastline.
Map 2	Designated 'Off Leash – Supervised' Areas within Sporting Complexes and Reserves.
Map 3	Redgum Island, Fyansford Common – Barwon River.

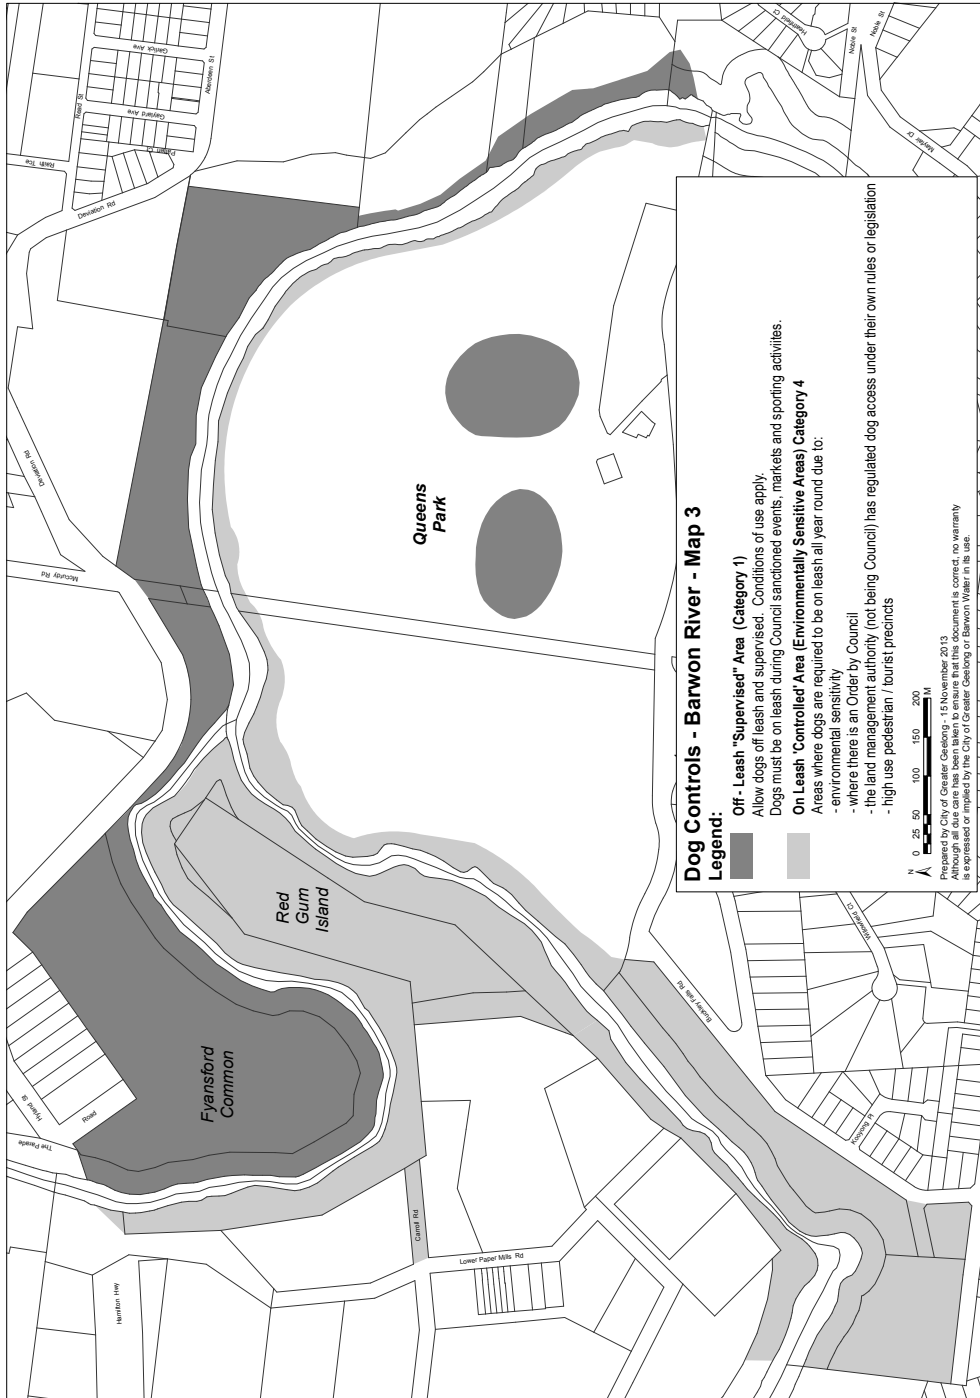

Colour coding of the maps demonstrates dog controls at a glance. The category of controls in turn relate back to Council's Policy on Dogs in Public Places.

It should be noted that the maps are not inclusive of all open space areas within the City of Greater Geelong. The areas depicted are those where Council has made a decision in relation to dog controls. As the plan evolves more open space areas may become subject to 'Off Leash – Supervised' requirements.

The public can inspect Council's Dogs in Public Places Policy including the coloured maps, free of charge, at Council's customer service offices or on Council's website at <http://www.geelongaustralia.com.au>. This Order takes effect the day after it is published in the Government Gazette.

### EXEMPTION

Application No. H30/2013

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Geelong Grammar School (the applicant). The application for exemption is to enable the applicant to, from time to time:

- (a) Structure waiting and enrolment lists to target prospective students of either gender;
- (b) Offer places to students of either gender required to maintain gender balance;
- (c) Reject applications based on gender to maintain a co-educational balance;
- (d) Advertise for prospective male or female students in any year level where future waiting lists show a gender imbalance;
- (e) Offer scholarships to students of a minority gender at a particular year level and advertise the availability of such scholarships; and

- (f) Grant incentive rebates or discounts to parents of a minority gender in a particular year level to achieve a co-educational balance and advertise that such rebates or discounts are available,

(the exempt conduct).

Upon reading the material filed in support of this application, including the affidavits of Andrew Kenneth Moore and having regard to: 22 individual responses to advertising of the application; evidence given and submissions made at a hearing on 11 November 2013; and an interim exemption granted on 22 August 2013, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The applicant school was established in 1855 and operates across four campuses: Bostock House in Newtown, Toorak, Timbertop at Merrijig and Corio. The school provides education from kindergarten to year 12 and currently has 1545 students across its campuses.
- The school became co-educational in 1976 following the amalgamation of The Hermitage and Clyde Schools with the applicant. The applicant school prides itself on being able to offer a true co-educational environment to its students, which it believes encourages a sound intellectual, emotional, physical and social base from which students are able to flourish in society after graduation. For a co-educational school to work best, the applicant considers that it is essential that there be, as far as practicable, equal numbers of female and male students at each year level in the school.
- The 2014 enrolments across the campuses show that 59% of the students will be male and 41% will be female. There are particular gender imbalances at the Toorak campus: for example, in 2014 in year 2 it is anticipated that 81% of the students will be male and 18% female; in year 5 in 2014 it is anticipated that 70% of the students will be male and 30% female. While the applicant

intends to make use of the exemption to address these imbalances at the Toorak campus, at present, the gender balance at the Timbertop and Corio campuses are regarded as acceptable having regard to the available boarding facilities.

- The applicant believes that, where the proportion of either gender falls below 35%, the gender imbalance becomes significant in terms of providing a true co-education. The applicant has tried a range of strategies to date to achieve gender balance, however disparities remain. The applicant believes that an exemption would allow it to offer a true co-education and meet the needs and expectations of students and their parents.
- In accordance with the orders of the Tribunal, the applicant advertised its application for an exemption in two newspapers and on its website. It also sent written notice of its application for an exemption to some 19,277 persons. Recipients were told that submissions about the application could be sent to the Tribunal. One such submission, being a short statement in support, was received by the Tribunal. The applicant received 21 responses to its written communications: two were short statements against the application and three expressed concerns about the application, including in respect of their sons' admission to the school. One response was neutral. The remaining 15 responses were supportive.
- I am not satisfied that an exception applies to the exempt conduct. The interim exemption will expire on 15 December 2013. After 15 December 2013, in the absence of a further exemption, the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination of students who would wish to be offered a place at the school on the sole basis of their place on a waiting list or obtain a scholarship, rebate or incentive based on gender neutral criteria. In the circumstances discussed above, I am satisfied that the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from 16 December 2013 to 15 December 2018.
