EXEMPTION

Application No. A225/2012

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Caulfield Grammar School (the applicant). The application for exemption is to enable the applicant, from time to time, for the purposes of achieving gender balance, to:

- (a) structure waiting and enrolment lists to target prospective students of either gender;
 - (b) advertise for prospective male or female students in year levels where future waiting lists show a gender imbalance; and
 - (c) grant scholarships to male or female students and advertise for such.
- (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Andrew Syme, having heard evidence from Andrew Syme, having heard submissions made on behalf of the applicant, having had regard to submissions made by other persons in response to the advertising of the exemption application and for the written reasons given, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

The Tribunal hereby grants an exemption from the operation of sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 27 February 2017.
