COMMUNITY LOCAL LAW 2015

Notice is hereby given that Hobsons Bay City Council intends to make a local law (the proposed Local Law), to be known as Community Local Law 2015, in accordance with sections 111 and 119 of the **Local Government Act 1989** (the Act).

Purpose and general purport of the Local Law

The purpose of this Local Law is to:

- implement controls that will maintain and enhance the amenity of living within the municipality. Examples include restrictions on animal ownership, noise restrictions, unsightly premises controls, fire restrictions, waste disposal and management of bin controls, behaviour and activity controls in reserves and control of building sites;
- provide for enforcement measures to deal with breaches of the Local Law. Such enforcement tools include Notices to Comply, Official Warnings, Penalty Infringement Notices and Magistrates Court prosecutions;
- allow some private activities on Council-managed land, subject to issue of a permit. Examples of private use of Council-managed land include placement of tables and chairs on footpaths by restaurants, placement of advertising signs on footpaths by various businesses, and display of goods for sale on footpaths by various businesses;
- implement controls over activities that can cause a nuisance to others. Examples include alcohol prohibited areas, smoking restrictions, camping restrictions and regulation of beach activities; and
- provide resident parking schemes that allow for the issue of resident parking permits.

The proposed Local Law amends the provisions of the current Community Local Law. The general purport of the proposed Local Law is to improve good governance practices, and take into account the particular needs and issues of the local community. New clauses have been added in relation to dilapidated buildings, mobile bill boards, domestic waste, interference

with rubbish, trade waste and trade bins, special events and fireworks. The relevance to State and Commonwealth legislation has been included to assist reading of the local law. Additionally, a number of explanations have been included to clarify the context and reason that a local law pertaining to a specific matter is required, including the definition of assistance dogs, parking and ticket/resident parking scheme, fees, charges and costs, dilapidated buildings, restrictions for fire, animal management, road management, vehicle crossing and building works, charity collections, reserves and other public places, fireworks, and restrictions on glass containers.

Enquiries and Submissions

A copy of the proposed Local Law and a Community Impact Statement can be obtained from the Council offices at 115 Civic Parade, Altona, or viewed on Council's website, www.hobsonsbay.vic.gov.au

Written submissions in relation to the proposed Local Law are invited and will be considered by Council in accordance with section 223 of the Act. Any person requesting to be heard is entitled to appear in person or by a person acting on their behalf before a meeting of Council to be held on Tuesday 25 August 2015.

Enquiries should be directed to Diane Eyckens, Manager Governance and Local Laws, on telephone 9932 1070.

The general purpose of General Local Law 2015 is to provide for the peace, order and good government of the Municipal District of Melton City Council, provide for the administration of Council powers and functions, and prohibit, regulate and control activities, events, practices or behaviour in places so that no detriment is caused to the amenity of the neighbourhood, nor nuisance or danger to a person or their health and safety.
