Road Safety Act 1986

ROAD SAFETY ROAD RULES 2009

Specification of Electric Personal Transporter Use Area – Geelong Foreshore

1. Purpose

The purpose of this notice is to specify an area encompassing roads and road related areas to be an electric personal transporter use area.

2. Background

Rule 244D of the Road Safety Road Rules 2009 provides that is an offence for a person to travel on an electric personal transporter on a road or road related area unless the person is taking part in an electric personal transporter tour on electric personal transporter supplied to the person as part of that tour.

Rule 244E of the Road Safety Road Rules 2009 provides that a person must not travel on an electric personal transporter on a road or road related area unless that road or road related area is an electric personal transporter route or in an electric personal transporter use area.

Rule 244C of the Road Safety Road Rules 2009 authorises the Roads Corporation, by notice published in the Victoria Government Gazette, to do either or both of the following –

- (a) specify a route consisting of specified roads and road related areas as an electric personal transporter route;
- (b) specify an area encompassing roads and road related areas to be an electric personal transporter use area.

Before the Roads Corporation publishes a notice under rule 244C, it must consult with any other road authority that the Corporation considers may be affected by that publication.

3. Authorising Provision

This notice is made under rule 244C of the Road Safety Road Rules 2009.

4. Commencement

This notice comes into operation on the date that it is published in the Victoria Government Gazette.

5. Specification

I, John Merritt, Chief Executive of the Roads Corporation, under rule 244C of the Road Safety Road Rules 2009, after consulting with any other road authorities that may be affected by this notice, specify the area described in the Schedule (and encompassing roads and road related areas within that area) to be an electric personal transporter use area.
