Meat Industry Act 1993

LEGISLATIVE INSTRUMENT DETERMINING LICENCE CATEGORIES AND FIXING FEES FOR MEAT PROCESSING FACILITY LICENCES

Pursuant to Sections 14(2)(b), 44(f), 44(h) and 45 of the **Meat Industry Act 1993**, PrimeSafe, being the Authority established under Part 6 of that Act –

- a) Determines the categories of licences listed in Column 1 of the Table; and
- b) Fixes, for each category of licence specified in Column 1 of the Table, the application fee listed in Column 3 and the annual fee listed in Column 4 of the Table, based, as applicable, on the annual throughput specified in Column 2, subject to the following exceptions:
 - i) Any application fee specified in Column 3 is only payable for the initial application for a category of meat processing facility licence; and
 - ii) Notwithstanding the fees fixed in Column 3 and 4, facilities registered and supervised by the Commonwealth Department of Agriculture and Water Resources (DAWR) where the DAWR accepts responsibility for all products placed on the domestic market are required to pay an annual fee in accordance with the fee schedule up to a maximum fee of \$1,887. New licence applications covered by this arrangement will also be required to pay an application fee in accordance with the fee schedule up to a maximum of \$944.
- c) Fixes as the fee payable for assessment for approval or monitoring of a quality assurance program at an hourly rate of \$254 (ex GST).
- 2) In this instrument, **annual throughput** means the number of units slaughtered or weight (tonnes) of material brought into the relevant facility for processing (including storage) in the licensing period to which the licence will apply.
- 3) This instrument is effective from the date it is published in the Victoria Government Gazette.
