The Mornington Peninsula Shire Council has prepared Amendment C209 to the Mornington Peninsula Planning Scheme. The Amendment has been made at the request of Peninsula Searoad Holdings Pty Ltd which is the operator of the Sorrento to Queenscliff Ferry.

The land affected by the Amendment is the existing Sorrento Ferry Terminal and the associated car park and adjoining foreshore area.

The land allotments include:

- 10 Esplanade, Sorrento
- 12 Esplanade, Sorrento
- 14 Esplanade, Sorrento
- Part 3154 Point Nepean Road, Sorrento
- Part 3176 Point Nepean Road, Sorrento
- Part 3300 Point Nepean Road, Sorrento.

The Amendment facilitates the redevelopment of the Sorrento Ferry Terminal. Currently the site accommodates a small kiosk, a ticket booth and a vehicle docking zone. The redevelopment will include a new Terminal Building (comprising a maritime museum, lounge/café tenancies, and small shops for souvenirs and ticketing), reconfigured vehicle access and traffic works, new car parking, landscaping and public realm works.

The redevelopment will be facilitated by amending the Schedule to Clause 52.03 and 81.01 to include an Incorporated Document titled ‘Searoad Ferries Sorrento – Terminal Building and Associated Uses and Works, January 2017’. The Incorporated Document is structured as a set of planning permit conditions and will become the consolidated approval document for the redevelopment.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, at the following locations: during office hours, at the following locations: Mornington Peninsula Shire Council website, www.mornpen.vic.gov.au; Hastings Office – 21 Marine Parade, Hastings; Mornington Office – 2 Queen Street, Mornington;

Rosebud Office – 90 Besgrove Street, Rosebud; and at the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

Name and contact details of submitters are required for Council to consider submissions and to notify such persons of the opportunity to attend Council meetings and any public hearing held to consider submissions. The closing date for submissions is 28 July 2017. EXEMPTION

Application No. H65/2017

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Cornish College (the applicant). The application for exemption is to enable the applicant to, from time to time, engage in the exempt conduct.

In this exemption:

The term ‘girls’ includes females and people whose gender identity is female and the term ‘boys’ includes males and people whose gender identity is male.

The ‘exempt conduct’ is the applicant, from time to time, for the purpose of achieving gender balance:

- (i) Advertising for girl and boy students for various school year levels; and
- (ii) Granting scholarships and bursaries to girls and boys and advertising the offering of those scholarships and bursaries.

Upon reading the material filed in support of this application, including the affidavit of Martin William Massey and having heard evidence from Mr Massey at the hearing held on 13 June 2017, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant operates a co-educational prep to year 12 school. At present it has around 700 enrolled students with 55% boys and 45% girls. In order to provide a proper co-education to those students, the applicant wishes to have an appropriate gender balance of at least 60% boys and 40% girls. If the proportion of boys and girls falls below that balance, the applicant wishes to rely on the exemption to increase the number to closer to equal.
- Prior to the hearing of this matter directions were made requiring the applicant to give notice of the exemption by public advertising, on its website and by sending a notice to all current parents at the school and all other persons on its mailing list. Those directions were complied with. The notice advised that submissions for or against the exemption application could be made to the Tribunal. None were received by the Tribunal or by the applicant. The applicant has received no complaints about the use of the earlier exemption.
- The Tribunal granted an exemption for equivalent conduct in 2012 and the applicant has relied on it to increase the numbers of girls enrolled in its current year 11 class. The earlier exemption expired on 13 June 2017. At the time the earlier exemption was granted a hearing was held and written reasons for decision were published (proceeding A11/2012 – reasons published on 26 June 2012. I have adopted the reasoning in that decision here).
- I am satisfied that no exception or current exemption already applies to the exempt conduct and in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination. For the reasons given in the earlier exemption application, I am satisfied that the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 June 2022.

Workers Compensation Act 1958**NOTICE OF NEW BENEFIT RATES PAYABLE IN ACCORDANCE WITH
SECTION 9 AND SECTION 11**

Section 9(3) of the **Workers Compensation Act 1958** provides for rates of compensation to be adjusted on 1 July in any year in line with movements in the Australian male average weekly earnings between the December quarter of the two preceding years as published by the Australian Statistician at 15 June in each respective year.

Section 9(5) of the **Workers Compensation Act 1958** provides that average weekly earnings means the average weekly total earnings of all male employees in Victoria in original terms published by the Australian Bureau of Statistics as at 15 June in the preceding financial year in respect of the most recent reference period ending on or before 31 December in that preceding financial year.

The Victorian male average weekly earnings for the December quarter of 2015 and 2016 were \$1,287.20 and \$1,326.80 respectively, an increase of 3.08%.

Where the AWE for all employees in Victoria reduces from one year to the next, section 546 of WIRC provides that the variation is deemed not to have taken effect and no reduction will occur. When there is an increase in the AWE of all employees in Victoria, in the next or subsequent financial year, the amount of the increase will be offset against the previous reduction.

Notice is hereby given that calculations in accordance with the said section produce the following rates of compensation which are payable, on and from 1 July 2005 instead of the amounts specified in section 9 of the said Act, in the clauses under the heading 'The Clauses Referred To'.

Division 2D of Part IV of the **Accident Compensation Act 1985** provides for the indexation of weekly payments, weekly pensions for dependants and certain other amounts stipulated under the **Accident Compensation Act 1985**.

Section 100 of the **Accident Compensation Act 1985** stipulates that weekly payments are varied on 1 July each year in line with the movement in the average weekly total earnings for all employees in Victoria between the two previous corresponding reference periods, using the latest figures published by the Australian Bureau of Statistics as at 15 June following the previous reference period. Weekly payments are indexed on the anniversary of the entitlement to weekly payments, or on the deemed anniversary date which for the purposes of this section is 1 July.

The average weekly earnings for all employees in Victoria between the December quarter of 2015 and the December quarter 2016 changed from \$1,073.70 to \$1,111.10 which is an increase of 3.483%.
