Forests Act 1958

DETERMINATION OF FIREWOOD COLLECTION AREA

I, Craig Stubbings, Regional Director Northern Victoria, Parks Victoria, make the following determination under section 57U of the **Forests Act 1958**.

Definitions

In this determination and with reference to a numbered item in the table in the determination:

- (a) **closing date**, being the date of revocation of the determination of a firewood collection area, means the date specified in column 6 of the item;
- (b) **opening date**, being the date on which the determination of a firewood collection area comes into operation, means the date specified in column 5 of the item or, if no date is specified, the date on which this determination is published in the Government Gazette.

Determination

Each area of State forest shown hatched on a plan lodged in the Central Plan Office of the Department of Sustainability and Environment, the number of which is shown in column 1 of an item in the table in this determination, is a firewood collection area for the purposes of section 57U of the **Forests Act 1958**, effective from the opening date for that area until the closing date for that area (inclusive).

Being satisfied that it is necessary to do so for management of the supply of fallen or felled trees for domestic use as firewood in the region of the State comprising the shires of Campaspe and Moira, I specify that only the following classes of persons (or their nominees) may cut and take away fallen or felled trees in the firewood collection area:

- (a) residents of the shires of Campaspe and Moira.
- (b) persons who are, or are eligible to be, members of the Yorta Yorta Nation Aboriginal Corporation.
