The land affected by the Amendment is 35 Rowe Street, Lakes Entrance (Crown Allotment 46D, Parish of Colquhoun).

During office hours, at Bairnsdale Corporate Centre, 273 Main Street, Bairnsdale; Bairnsdale Service Centre, 24 Service Street, Bairnsdale; Bairnsdale Business Centre, 34 Pyke Street, Bairnsdale; Lakes Entrance Service Centre, 18 Mechanics Street, Lakes Entrance; or at the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Manager Strategic Planning

Planning and Environment Act 1987**YARRA RANGES PLANNING SCHEME****Notice of the Preparation of an Amendment
Amendment C164**

The Yarra Ranges Council has prepared Amendment C164 to the Yarra Ranges Planning Scheme.

The land affected by the Amendment is all land within Environmental Significance Overlay Schedule 2 (ESO2), which is currently applied on an interim basis. This is the urban catchment of the Little Stringybark Creek, and covers approximately 1,200 properties.

The Amendment proposes to remove the expiry date of the interim ESO2 to ensure that the objective of restoring the condition of the Little Stringybark Creek can be achieved, making the ESO2 a permanent planning control. The current expiry date is 12 March 2018.

The Amendment makes minor changes to the ESO2 based on an evaluation of the first four years of its operation, which are:

- Decision Guidelines have been updated to include a requirement for a completed Stormwater Treatment Plan;
- The 'Deemed to Satisfy' Table, which sets out suggested methods to satisfactorily treat stormwater runoff for users of the control, has been altered based on Melbourne Water's review of the ESO2;
- Minor wording changes are made to the permit trigger for buildings and works to avoid misinterpretation. The change clarifies that creation of impervious surfaces of 10 m² requires a planning permit, modifying the previous wording that creation of 'surfaces less than 10 m² require a permit'.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, from 5 April 2018 at the following locations: during office hours, at the office of the planning authority, Yarra Ranges Council, 15 Anderson Street, Lilydale; on Council's website, www.yarraranges.vic.gov.au/C164; or on the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Any person who may be affected by the Amendment may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

Name and contact details of submitters are required for Council to consider submissions and to notify such persons of the opportunity to attend Council meetings and any public hearing held to consider submissions. The closing date for submissions is 7 May 2018. Submissions can be made online at www.yarraranges.vic.gov.au/C164 or sent to Strategic Planning, Yarra Ranges Council, PO Box 105, Lilydale 3140.

The planning authority must make a copy of every submission available at its office for any person to inspect free of charge for two months after the Amendment comes into operation or lapses.
