## Victorian Environmental Assessment Council Act 2001

### REQUEST TO THE VICTORIAN ENVIRONMENTAL ASSESSMENT COUNCIL TO CONDUCT AN ASSESSMENT OF VICTORIA'S COASTAL RESERVES

Pursuant to section 26B of the **Victorian Environmental Assessment Council Act 2001**, the Minister for Energy, Environment and Climate Change hereby requests the Victorian Environmental Assessment Council (the Council) to carry out an assessment of Victoria's coastal reserves<sup>1</sup>.

The purpose of the assessment is to:

- a) review the number and types (reservation status) of coastal reserves in Victoria;
- b) identify reserves with high environmental, cultural heritage, social and economic values and identify values at risk from the impacts of climate change;
- c) identify current and emerging uses of the coastal reserves; and
- d) compile an inventory, including spatial distribution, of values and uses of the coastal reserves.

As a first step, the Council is required to publish a definition of coastal reserves to be used in the assessment, including a diagrammatic representation and map of Victoria's coastal reserves.

The assessment and associated inventory will assist the Victorian Government's future planning and decision-making for Victoria's coasts.

The Council must take into account relevant agreements under the **Traditional Owner Settlement Act 2010**.

As part of the assessment, the Council must produce a draft report and seek public comment on it.

The Council must report on the completed assessment by 6 December 2019.

<sup>1</sup> For the purposes of this assessment, Victoria's coastal reserves include any Crown land along Victoria's coast (including the coast of any bay, inlet and estuary and the Gippsland Lakes) that is:

- a) reserved under section 4(1)(ze) of the **Crown Land (Reserves) Act 1978** for the protection of the coastline or is otherwise reserved under that Act and is landward of low water mark; or
- b) unreserved Crown land under the **Land Act 1958** that is landward of low water mark.

For clarity, Victoria's coastal reserves do not include any Crown land described as a park or marine sanctuary in Schedule 2, 2B, 3, 4, 7 or 8 to the **National Parks Act 1975** or any unreserved Crown land from low water mark to the outer limit of Victoria's coastal waters (mostly 3 nautical miles).
