**GOVERNMENT AND OUTER BUDGET  
SECTOR AGENCIES NOTICES**

WHITTLESEA CITY COUNCIL

Discontinuance of Road

Part of 10 Spring Street, Thomastown

Pursuant of section 206 and Clause 3 of Schedule 10 to the **Local Government Act 1989**, Whittlesea City Council, at its Special Meeting on Tuesday 19 November 2019, has resolved to formally discontinue that section of road reserve, marked 'hatched' in the plan below.

Council officers and representatives from the Department of Education and Training (DET) have entered into negotiations to discontinue and vest a section of the road reserve (being approximately 737 m<sup>2</sup>) which is exclusively occupied as part of the Thomastown Primary School.

The discontinuance and proposed sale/transfer will formalise the ownership of the road with the Department of Education and Training and enable a lease to be agreed with Council for the construction of a new kindergarten and early years centre.

No submissions were received by the public or relevant statutory authorities in response to the article published in the Whittlesea Leader dated Tuesday 13 August 2019.

## NOTICE OF VICTORIAN DEFAULT OFFER PRICE DETERMINATION 2020

The Essential Services Commission (commission) gives notice under section 35(2) of the **Essential Services Commission Act 2000** (Vic.) (ESC Act) that it has made a determination under section 33 of the ESC Act in respect of the tariffs which persons licenced to sell electricity in Victoria (retailers) may charge domestic or small business customers during the applicable regulatory period under standing offers made available under section 35 of the **Electricity Industry Act 2001** (Vic.) (EI Act), or the manner in which such tariffs are to be determined or calculated.

The applicable regulatory period is 1 January 2020 to 31 December 2020.

The determination:

- (a) gives effect to the requirements of the Order in Council (Order) made under section 13 of the EI Act and published in the Government Gazette No. S 208 on 30 May 2019, and specifically the requirements of clause 10 of the Order;
- (b) specifies for each electricity distribution zone in Victoria:
  - (i) the tariffs a retailer may charge domestic or small business customers under a flat tariff standing offer during the applicable regulatory period;
  - (ii) the VDO compliant maximum bill amount that a domestic or small business customer is to pay under a non-flat tariff standing offer for that regulatory period;
- (c) facilitates the achievement of the objective of the Order that there be a simple, trusted and reasonably priced electricity option that safeguards consumers who are unable and unwilling to engage in the electricity retailer market.

The determination takes effect from 1 January 2020.

The determination and accompanying final decision paper is available on the commission's website located at <https://www.esc.vic.gov.au>. Alternatively, copies may be obtained by calling the commission on 1300 664 969.

## BARWON COAST COMMITTEE OF MANAGEMENT INC.

## Draft Coastal and Marine Management Plan:

## Public Consultation

The Barwon Coast Committee of Management Inc. (Barwon Coast) has prepared a Draft Coastal and Marine Management Plan (CMMP) 2020–2025 for the coastal Crown Land Reserve between eastern Collendina and the western end of Thirteenth Beach.

The CMMP describes a long-term vision for the Barwon coastline that reflects community aspirations and policy directions for marine and coastal management. The vision for the Barwon Coast CMMP is:

‘The natural environment of our coastline will flourish whilst meeting the needs of our engaged communities.’

The CMMP outlines a set of guiding principles and ten-year objectives for the long-term management of the Reserve. It includes outcomes for each objective and specific actions to be implemented by Barwon Coast and its partners over the five years from 2020–2025.

The three pillars of the CMMP are natural and cultural values, planning and integration and sustainable use and enjoyment. The CMMP identifies planning requirements to address increased visitation and demand for access and coastal hazards and climate change. It also addresses priorities related to accessibility, financial sustainability, coordination and engagement and Traditional Owner inclusion.

The Draft CMMP has been developed by Barwon Coast in accordance with the **Marine and Coastal Act 2018**. Planning has involved consultation with the community, government agencies and Traditional Owners. The draft CMMP is also informed by a review of legislation and policy and technical studies. Delivery of the CMMP will be underpinned by arrangements for monitoring, evaluation, reporting and improvement.

Barwon Coast is inviting feedback on the Draft CMMP from 2 December 2019 to 10 January 2020.

To participate in the public consultation and obtain a copy of Barwon Coast's CMMP, please visit Engage Victoria's website at [www.engage.vic.gov.au](http://www.engage.vic.gov.au) or Barwon Coast's website at [www.barwoncoast.com.au/aboutus](http://www.barwoncoast.com.au/aboutus)
