Chief Executive Officer

WHITTLESEA CITY COUNCIL

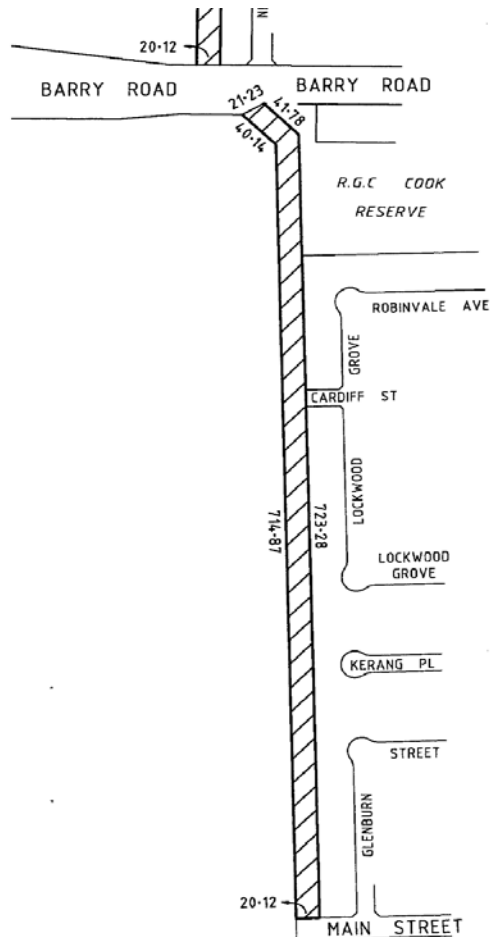

Discontinuance of Road

Part of Downs Road, Thomastown

Pursuant of section 206 and Clause 3 of Schedule 10 to the **Local Government Act 1989**, Whittlesea City Council, at its Ordinary Meeting on Tuesday 31 October 2017, has resolved to formally discontinue a section of Downs Road, Thomastown, marked 'hatched' in the plan below.

The proposal seeks to discontinue and dispose of a section of road reserve adjoining the land at 135–161 Barry Road, Thomastown, for the purposes of creating a new residential subdivision under the endorsed Barry Road Development Plan. The land will be sold to the adjoining landowner for a negotiated a sale price of \$400,000 (including GST) and be set out to create a new 14 m wide road to service the rear loaded residential allotments and provide connection to new and existing underground services.

No submissions were received by the public or relevant statutory authorities in response to the article published in the Whittlesea Leader dated Tuesday 26 September 2017.

BANYULE PLANNING SCHEME
Notice of the Preparation of an Amendment
Amendment C124

The Banyule City Council has prepared Amendment C124 to the Banyule Planning Scheme. The Amendment applies to 155 individual properties across the municipality.

The Amendment proposes to:

- rezone or partially rezone 142 Council parks and reserves from various zones to PPRZ and PCRZ;
- rezone or partially rezone three Council owned properties from PPRZ and PCRZ to NRZ3 that are proposed for sale and require rezoning to be consistent with future land use;
- remove a restrictive covenant and reservation status from a section of Council owned land proposed for sale;
- partially rezone five properties that adjoin Council owned land to correct anomalies identified as a consequence of the rezoning of Council land;
- rezone two electricity supply reserves from PPRZ to PUZ1; and
- rezone three parcels incorrectly zoned PPRZ to correct anomalies and ensure zoning is consistent with use.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, at the following locations: during office hours, at the office of the planning authority, Banyule City Council, Level 3, 1 Flintoff Street, Greensborough (above Watermarc); on the Shaping Banyule Page of Banyule City Council's website, www.shaping.banyule.vic.gov.au; and at the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Any person who may be affected by the Amendment may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

Name and contact details of submitters are required for Council to consider submissions and to notify such persons of the opportunity to attend Council meetings and any public hearing held to consider submissions. The closing date for submissions is Friday 22 March 2019. A submission must be sent to the Banyule City Council, PO Box 94, Greensborough, Victoria 3088, or may be lodged online at www.shaping.banyule.vic.gov.au

The planning authority must make a copy of every submission available at its office for any person to inspect, free of charge, for two months after the Amendment comes into operation or lapses.

Plant Biosecurity Act 2010**ORDER PROHIBITING OR RESTRICTING THE ENTRY OR IMPORTATION
INTO VICTORIA OF MATERIALS WHICH ARE HOSTS OF
CUCUMBER GREEN MOTTLE MOSAIC VIRUS**

I, Nigel Ainsworth, as delegate of the Minister for Agriculture, being of the reasonable suspicion that the exotic disease cucumber green mottle mosaic virus exists within Australia but outside Victoria, make the following Order.

1 Objective

The objective of this Order is to prohibit, restrict or impose conditions upon the entry or importation into Victoria of materials which are hosts of cucumber green mottle mosaic virus (CGMMV).

2 Authorising provision

This Order is made under section 36(1) of the **Plant Biosecurity Act 2010** (the Act).

3 Commencement

This Order comes into operation on the date of making.

4 Definitions

In this Order –

‘**host material**’ means any host plant, agricultural machinery and packages used in association with the growing, harvesting and packaging of any host plant, or earth material from properties on which host plants have been grown.

‘**host plant**’ means any plant or plant product, excluding fruit, from the family *cucurbitaceae*.

5 Prohibitions, restrictions and conditions

The following prohibitions, restrictions and conditions are specified in relation to the entry or importation of host material.

- (a) The entry or importation into Victoria of any host material is prohibited.
- (b) Subclause (a) does not apply if the host material –
 - (i) originates from a State or Territory that is known to be free of CGMMV; or
 - (ii) originates from an area for which there is currently in force an area freedom certificate issued by an officer responsible for agriculture in the State or Territory from which the material originated, certifying that the area from which the material originated is known to be free of CGMMV; or
 - (iii) is accompanied by a plant health certificate, assurance certificate or plant health declaration, certifying or declaring that the host material has been treated in a manner described in the Schedule to this Order; or
 - (iv) enters Victoria under and in accordance with a permit issued by an inspector and there is compliance with any conditions or requirements set out in the permit.

6 Verification

Where requested by an inspector, host material imported into Victoria which is required by clause 5(b)(iii) to be accompanied by a certificate or declaration, must be:

- (a) presented to an inspector for inspection; or
- (b) verified by a person accredited to do so by the Department of Jobs, Precincts and Regions.

7 Expiry

This Order remains in force for a period of 12 months after the date of making.

Schedule

Host material must –

1. In the case of host plants, be grown on the property, and have been sampled, tested and found free of CGMMV within the previous 12 months.
2. In the case of agricultural equipment and packages, be cleaned free of earth material and organic matter by –
 - (a) steam cleaning; or
 - (b) washing with high pressure hot water; or
 - (c) disinfection with a solution containing not less than 100 ppm available chlorine used as a spray rinse or drench treatment.

Notes:

Section 38 of the Act provides that it is an offence for a person to cause, permit or assist any plant, plant product, plant vector, used equipment, used package, earth material or beehive to enter, or be imported into, Victoria in contravention of an importation order under section 36. The maximum penalty of 60 penalty units applies in the case of a natural person, and 300 penalty units in the case of a body corporate.

Terms in this Order that are defined in the Act have that meaning.

Dated 25 January 2019

NIGEL AINSWORTH
Acting Chief Plant Health Officer

Water Act 1989**AUCTION OF WATER SHARES**

The Gippsland and Southern Rural Water Corporation (trading as Southern Rural Water) is to auction water shares at 11.00 am, Tuesday 19 February 2019 at their Maffra Office, 88 Johnson Street, Maffra.

The auction will include:

- 269.0 ML of high and low reliability water shares bundled.

A volume of 48.5 ML HRWS plus 23.0 ML LRWS plus any unsold shares from the above auction will be placed on sale at the completion of the auction and available at a set price (being the highest price obtained at the auction) for a period of 6 months or until sold.

These include new water shares and off the shelf shares that were not sold at previous auctions.

Water shares will be sold to the highest bidder, subject to meeting the reserve price and subject to the conditions specified in this notice and those contained in the registration form.

The shares will be sold in 50 ML lots; however the successful bidder need not take the entire 50 ML. For example, the successful bidder may only want 20 ML of water. The remaining 30 ML from that lot will then be re-allocated to make up additional 50 ML lots.

Successful bidders will be required to sign a contract of sale and pay a 10% deposit at the auction. The final balance will be due before 4.45 pm on Tuesday 19 March 2019.

All water shares purchased at this auction will be assigned to the Thomson/Macalister system and will be subject to any seasonal allocations, supply and/or delivery conditions that may apply across the Macalister Irrigation Area. The current season's water allocation will be available for all water shares purchased. Normal trading rules will apply to these shares.

Those wishing to bid at the auction must register their intention with Southern Rural Water by the close of business on Monday 18 February 2019. Registration forms are available from Southern Rural Water at 88 Johnson Street, Maffra, or can be downloaded from www.srw.com.au. Registration is free of charge. Late registrations will not be accepted.
