MACEDON RANGES SHIRE COUNCIL

Local Government Act 1989

Section 119(2)

PROPOSAL TO AMEND THE GENERAL PURPOSES AND AMENITY LOCAL LAW NO. 10

At its meeting on Wednesday 27 March 2019, the Council resolved to make amendments to the General Purposes and Amenity Local Law No. 10, 2013.

Purpose of the amendment to the General Purposes and Amenity Local Law

The General Purposes and Amenity (Amendment) Local Law 2019 (amending Local Law) makes a number of necessary technical amendments to the current Local Law to achieve the application of the *Roadside and Footpath Trading Policy* and any future policies that may be applied by Council to uses and activities on Council land or roads.

While the amendments include a number of drafting and technical amendments to resolve the issues that have been raised, they do not change the primary requirements in the current Local Law for the use of Council land or roads being:

Clause 8 – Permits to use Council land or a Road

Clause 9 – Permit for Outdoor Dining

Clause 10 – Permit for Moveable or Temporary Advertising Signs.

General Purport of the Amendment to the Local Law

The proposed amendment to the Local Law is specifically in relation to the permit requirements for the use of Council land or roads.

This amendment will achieve a number of desired outcomes including:

- an efficient and effective way of managing these and future changes to the current Local Law;
- benefits to Council, the community and those required to comply with the *Roadside and Footpath Trading Policy* through clearer requirements that reflect what is actually happening with the commercial use of Council land or roads;

- reference to ‘incorporated documents’ which allows the Local Law to incorporate by reference documents containing Council Policy, standards or guidelines that apply to specific uses or activities which are intended to assist in achieving the objectives of the Local Law;
- advises the effect of incorporating documents by reference, which is essentially a requirement for compliance with the relevant requirements in the Policy;
- a revised requirement to comply with Council’s current policies regarding activities and uses permitted on Council land or roads;
- removal of references to guidelines and other policies that no longer exist.

This approach is designed to ensure that as different trends emerge along with better methods for managing and using Council land or roads, there can be sufficient flexibility to update the relevant policy and provide better compliance capability. Consistent with Council’s community consultation framework any substantial changes to the policy will be presented to the community prior to implementation. The amending Local Law directs a person to Council’s website to ensure that they are considering Council’s most current policy applicable to the use or activity.

Written submissions about the proposed amendment to the Local Law will be considered in accordance with section 223 of the **Local Government Act 1989** and should be addressed to the Chief Executive Officer, Macedon Ranges Shire Council, PO Box 151, Kyneton 3444. Written submissions must be received at the Council Offices no later than 12.00 noon on Monday 13 May 2019.

Any person who makes a written submission can ask to be heard by the Council in support of their submission and may be represented by a person, (who is specified in their submission), to act on their behalf. INTERIM EXEMPTION

Application No. H74/2019

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Peel Hotel Pty Ltd (the applicant). The application for exemption is to enable the applicant to engage in the exempt conduct.

In this exemption, ‘exempt conduct’ means –

- To exclude from the Peel Hotel Pty Ltd at 113 Wellington Street, Collingwood people who are not homosexual males where the applicant (through its employee or agent) believes on reasonable grounds that to allow entry or unrestricted entry would adversely affect the safety or comfort of the venue for its homosexual male patrons, or the nature of that venue as a venue primarily for homosexual male patrons;
- to explain the nature of the venue to prospective patrons wishing to enter; and
- to advertise those matters.

Upon reading the material filed in support of this application, including the affidavit of Thomas Joseph McFeely and having had regard to an earlier exemption which expires on 15 April 2019, the Tribunal is satisfied that it is appropriate to grant an interim exemption from sections 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct until the application is finally heard and determined.

In granting this exemption, the Tribunal noted:

- The Peel Hotel is a late-night licensed venue which specifically targets the gay market. Its aim is to serve the gay community by offering a consistent and safe venue. The Peel Hotel has operated in this way since December 1988 and currently provides services to almost 1,000 gay male patrons each week.
- Previous exemptions were granted to the applicant in similar terms in 2007 (A99/2007), 2010 (A269/2010) and 2014 (H142/2013).
- I am not currently satisfied that an exception applies to the exempt conduct. Accordingly, in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the Charter of Human Rights and Responsibilities Act 2006 (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination of patrons who wish to attend the Peel Hotel but who are refused entry or whose right to privacy is interfered with. I am satisfied that for the purposes of this interim exemption, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an interim exemption from the operation of sections 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 12 July 2019.
