EXEMPTION

Application No. H68/2019

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by the Ocean Grove Bowling Club Inc. (the applicant). The application for exemption is to enable the applicant to organise, operate and advertise the specified bowling tournaments in which participation is to be limited to men-only or women-only (the exempt conduct). The specified bowling tournaments are as follows:

1. Women only tournaments:
 - a. Ocean Grove Open Day
 - b. Ocean Grove Classic
 - c. Monthly Monday Triples
 - d. Women's Club Championships – singles, pairs, triples, 21 Up, 100 up, veterans, minors.
2. Men only tournaments:
 - a. Ocean Grove Classic
 - b. Monthly Thursday Triples
 - c. Men's Club Championships – singles, pairs, triples, 21 Up, 100 up, veterans, minors.

Upon reading the material filed in support of this application, including the affidavit of Margaret Carroll, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 44, 71, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- A copy of the application was sent by the Tribunal to the Victorian Equal Opportunity and Human Rights Commission (the Commission). The Commission did not seek leave to intervene in the proceeding. The applicant has been a registered bowling club since 1953. Currently, just over 86% of its bowls events are mixed. That is a slightly higher percentage than when the previous exemption was granted in 2014. However, a core of members remain who do not wish to participate in mixed competitions and would not participate at all except for the remaining single sex events. The applicant club states that it aims to provide a level playing field and believes this is best achieved by offering a broad range of single gender and mixed events for members to participate and enjoy. Both mixed gender and single gender events are spread over the week.
- Many of the above tournaments are longstanding. The women-only Ocean Grove Classic commenced some forty years ago. Some of the women-only club events noted in item d. above commenced in 1954. The men's events are also longstanding. The Ocean Grove Classic commenced in 1986. The Monthly Triples began over thirty years ago. Some of the men-only club events noted in item c. commenced in 1954. Trophies and honour boards recording the results and naming successful participants over the years are kept in a prominent position and the applicant club is proud of its traditions.
- No exception or current exemption already applies to the exempt conduct and in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination of men or women who would wish to play in an event limited to another gender. In the circumstances discussed above, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 44, 71, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 9 May 2024.
