Gas Industry Act 2001

1ST ENERGY PTY LTD ABN 71 604 999 706

The following sets out Standing Offer Tariffs to Domestic (Residential) and Small Business customers pursuant to sections 42 and 46 of the **Gas Industry Act 2001** effective from 1 January 2022 until such time that the tariffs are varied. The weighted average revenue variation for 1st Energy standing offer gas customers is an increase of 4.9% for residential, and an increase of 5.5% for small business. Victorian Standing Offer Tariffs – Gas

The following tariffs apply to the supply and sale of natural gas in accordance with sections 42, 44 and 46 of the **Gas Industry Act 2001** and apply to residential and small business customers.

The average natural gas tariff increase is 16.2% for residential customers and 19% for small business customers. This increase in natural gas charges is primarily due to an increase in what it costs us to purchase and supply this gas. These tariffs are effective from 1 January 2022.
