NOTICE OF APPROVAL OF A MANAGEMENT PLAN

Greater Gariwerd Landscape Management Plan

The Greater Gariwerd Landscape Management Plan has been approved pursuant to section 17(2)D of the **National Parks Act 1975** and section 49 of the **Parks Victoria Act 2018**. The plan covers the 17 parks, reserves and unreserved Crown land managed by Parks Victoria within the Greater Gariwerd landscape, a total of approximately 180,000 hectares.

The new management plan takes effect on the date this notice is published in the Government Gazette.

The plan provides high-level key directions to increasing the involvement of Traditional Owners in park management, including recognising and managing the area as a significant cultural landscape through protection and celebration of cultural heritage, cultural burning, renaming sites in Aboriginal languages and strategies to provide recreational opportunities for park visitors.

A copy of the management plan may be inspected, free of charge, during office hours at the office of Parks Victoria, Level 10, 525 Bourke Street, Melbourne or via Parks Victoria's website, www.parks.vic.gov.au
