Proposed Amendment to a Road Management Plan
Public Notice Inviting Submissions

In accordance with the provisions of the **Road Management Act 2004** and the Road Management (general) Regulations 2016, the City of Boroondara gives notice of its intention to amend its Road Management (RM) Plan and invites public submissions on the proposed amended RM Plan. The proposed amendments result from Council's review of its RM Plan completed on 27 September 2021. The proposed amended Plan provides more detail about Council's System for managing road assets and alters the inspection frequencies, maintenance standards and response times for path, bridge, road and road related infrastructure in order to ensure consistency with industry practice while considering available resources, risk and customer expectations.

The City of Boroondara RM Plan applies to all roads within the City of Boroondara's boundaries for which the Council is the Responsible Road Authority, as identified in the Council's register of public roads.

A copy of the proposed revised Plan and RM Plan Review 2021 is available on Council's Engage Boroondara website at www.engage.boroondara.vic.gov.au

Any person who is aggrieved by the proposed amendment may make a submission on the proposed amendments by 1 November 2021. Submissions can be made directly through the Engage Boroondara Website or posted to the Chief Executive Officer, Boroondara City Council, Private Bag 1, Camberwell, Victoria 3124.

PROPOSED DRAFT ROAD MANAGEMENT PLAN – INVITING SUBMISSIONS

In accordance with the provisions of the **Road Management Act 2004** and the Road Management (General) Regulations 2016, West Wimmera Shire Council gives notice of its intention to review its Road Management Plan and invites public submissions on the proposed review.

The Draft Road Management Plan 2021 applies to all roads and footpaths within West Wimmera Shire Council boundaries for which the Council is the Responsible Road Authority, as identified in the Council's Register of Public Roads.

The purpose of the review is to update the content of the current plan with respect to the legislative requirements and to review response times and intervention levels to reflect current priorities and strategies. The Draft Road Management Plan 2021 and the Register of Public Roads will be available at Council Offices and on Council's website.

Any person who may be aggrieved by the Draft Road Management Plan may make a submission on the proposed review by 5.00 pm 29 October 2021. Submissions can be made via post addressed to the Chief Executive Officer, PO Box 201, Edenhope, Victoria 3318 or council@westwimmera.vic.gov.au

Planning and Environment Act 1987**DAREBIN PLANNING SCHEME**

Notice of the Preparation of an Amendment

Amendment C186dare

The Darebin City Council has prepared Amendment C186dare to the Darebin Planning Scheme.

The land affected by the Amendment is all land in the municipality.

The Amendment proposes to increase the public open space contribution rate for all subdivisions, by amending the schedule to Clause 53.01 (Public Open Space Contribution and Subdivision) and amending the Municipal Strategic Statement (MSS).

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, during office hours, at the office of the planning authority, Darebin City Council (Planning Counter), Level 1, 274 Gower Street, Preston, and at the Darebin City Council website, www.darebin.vic.gov.au/C186dare and at the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Any person who may be affected by the Amendment may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

Name and contact details of submitters are required for Council to consider submissions and to notify such persons of the opportunity to attend Council Meetings and any public hearing held to consider submissions. The closing date for submissions is 31 October 2021. A submission must be sent to the Coordinator Strategic Planning via online submission at www.darebin.vic.gov.au/C186dare or via direct email: planningservices@darebin.vic.gov.au, by post: Darebin City Council, PO Box 91, Preston, Victoria 3072. The planning authority must make a copy of every submission available at its office and/or on its website for any person to inspect, free of charge, for two months after the Amendment comes into operation or lapses.

Planning and Environment Act 1987**MACEDON RANGES****PLANNING SCHEME**

Notice of the Preparation of an Amendment

Amendment C143macr

The Macedon Ranges Shire Council has prepared Amendment C143macr to the Macedon Ranges Planning Scheme.

The land affected by the Amendment is the heritage places and trees in the vicinity of the Hamilton Street, Kilmore and Melbourne Roads intersection, Gisborne.

The Amendment proposes to apply a Heritage Overlay to the Bunjil Creek bridge and bluestone channel (HO351) and extend an existing Heritage Overlay 'Memorial Precinct (Howey Reserve)' (HO289) to include three trees, in the vicinity of the Hamilton Street, Kilmore Road and Melbourne Road intersection, Gisborne. This will implement the recommendations of the Macedon Ranges Bunjil Creek Bridge and Channel, Gisborne Local-level Heritage Assessment, April 2020 (adopted 27 May 2020) and the Macedon Ranges Trees at intersection of Bunjil Creek, Kilmore Road and Melbourne Road, Gisborne Heritage Assessment, May 2020 (adopted 24 June 2020) to these locally significant heritage features in the vicinity of the Hamilton Street, Kilmore and Melbourne Roads intersection, Gisborne.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, at the following locations: the Macedon Ranges Shire Council website at <https://www.mrsc.vic.gov.au/About-Council/News/Have-Your-Say>; during office hours, at Macedon Ranges Shire Council offices and Service Centres at: Gisborne Council Office, 40 Robertson Street, Gisborne; Kyneton Council Office, 129 Mollison Street, Kyneton; Romsey Library, 96–100 Main Street, Romsey; and Woodend Library, corner Forest and High Streets, Woodend; at the Department of Environment, Land, Water and Planning website, www.delwp.vic.gov.au/public-inspection

Any person who may be affected by the Amendment may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly

stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

Name and contact details of submitters are required for Council to consider submissions and to notify such persons of the opportunity to attend Council Meetings and any public hearing held to consider submissions. The closing date for submissions is Friday 12 November 2021. A submission must be sent to the Macedon Ranges Shire Council, PO Box 151, Kyneton, Victoria 3444; or, can be made via the Macedon Ranges Shire Council's 'Have your say' webpage at <https://www.mrsc.vic.gov.au/About-Council/News/Have-Your-Say>; or sent via email to mrsc@mrsc.vic.gov.au

The planning authority must make a copy of every submission available at its office and/or on its website for any person to inspect, free of charge, for two months after the Amendment comes into operation or lapses.

Forests Act 1958**DETERMINATION OF FIREWOOD COLLECTION AREA**

I, Geoffrey Conway, Deputy Chief Fire Officer, Gippsland Region, Department of Environment, Land, Water and Planning, make the following determination under section 57U of the **Forests Act 1958**.

Definitions

In this determination and with reference to a numbered item in the table in the determination:

- (a) **closing date**, being the date of revocation of the determination of a firewood collection area, means the date specified in column 6 of the item;
- (b) **opening date**, being the date on which the determination of a firewood collection area comes into operation, means the date specified in column 5 of the item or, if no date is specified, the date on which this determination is published in the Government Gazette.

Determination

Each area of State forest shown hatched on a plan lodged in the Central Plan Office of the Department of Environment, Land Water and Planning, the number of which is shown in column 1 of an item in the table in this determination, is a firewood collection area for the purposes of section 57U of the **Forests Act 1958**, effective from the opening date for that area until the closing date for that area (inclusive).

Table – Firewood collection areas

| Item no. | Column 1 | Column 2 | Column 3 | Column 4 | Column 5 | Column 6 |
|-----------------|-----------------|---------------------|-----------------------|---|---------------------|---------------------|
| | LEGL no. | DELWP region | DELWP district | Name of firewood collection area | Opening date | Closing date |

Mineral Resources (Sustainable Development) Act 1990**NOTICE OF A REFERRAL TO THE MINE LAND REHABILITATION AUTHORITY**

I, Jaala Pulford MP, Minister for Resources, under section 84AQ(1)(a) and (c) of the **Mineral Resources (Sustainable Development) Act 1990**, refer for investigation to the Mine Land Rehabilitation Authority matters relating to the rehabilitation of the declared mine land as declared by order published in the Government Gazette (No. S 366 dated 8 September 2010) being the land within Mining Licence Number 5004 (MIN5004) held by Hazelwood Power Corporation Pty Ltd ACN 065 381 204 and rehabilitation planning activities in accordance with the terms of reference specified below.

Terms of reference

The Mine Land Rehabilitation Authority is required to investigate and report to the Minister on the following matters:

Rehabilitation planning activities

1. What are the recommended methods for geotechnical assessments of Latrobe Valley coal mine batter stability and the criteria employed to demonstrate stability during water filling. Matters for investigation must include:
 - a. standards for assessing failure risk covering both Probability of Failure and Factor of Safety analysis during water filling;
 - b. suitable processes for method application, presentation of results, and underpinning assumptions and uncertainties.
2. Define a set of reference water fill levels and identify the data, information and knowledge required to manage risks associated with filling to each reference level, including having regard to batter redesign and/or modification works, including controls, that may be necessary to ensure stability risks are minimised as far as possible and support any planning and other approvals that may be required.

Rehabilitation of declared mine land

3. Identify the risks to the environment, to members of the public, land, property or infrastructure and the controls/mitigation strategies needed to eliminate or reduce those risks as far as reasonably practicable to safely manage water fill at the declared mine land, including:
 - a. the sufficiency of the licensee's assessments of the risks to the environment, members of the public, land, property and infrastructure;
 - b. the adequacy of the licensee's proposed controls/mitigation strategies to eliminate or reduce those risks as far as reasonably practicable;
 - c. risks associated with dewatering the declared mine land and types of relevant controls, if works are later determined to be necessary to manage risks arising from dewatering the declared mine land;
 - d. recommendations for an adaptive monitoring, assessment and management approach of geotechnical and erosional risks for a rapid and/or episodic water infill.
4. Identify any additional steps necessary to ensure alignment between the proposed rehabilitation works within the Hazelwood mine and the Latrobe Valley Regional Rehabilitation Strategy and Declared Mine Rehabilitation Plan requirements from time to time, including potentially through conditions upon approvals, having regard to the principles of sustainable development.
5. Identify the risks that may require monitoring, maintenance, treatment or other ongoing land management activities after rehabilitation is complete, the activities required to manage the risks and the projected costs to manage the risks.

Conduct of the investigation

The Mine Land Rehabilitation Authority must undertake its investigation in accordance with the provisions of Part 7A of the Act.

Reporting requirements

The Mine Land Rehabilitation Authority should report its findings and make recommendations no later than:

- (a) two months from commencement in respect of terms of reference 1 and 3,
- (b) four months from commencement in respect of terms of reference 2 and 4,
- (c) five months from commencement in respect of term of reference 5.

Plant Biosecurity Act 2010**ORDER PROHIBITING OR RESTRICTING THE ENTRY OR IMPORTATION INTO VICTORIA OF MATERIALS WHICH ARE HOSTS OF ASPARAGUS STEM BLIGHT**

I, Rosa Crnov, as delegate of the Minister for Agriculture, being of the reasonable suspicion that the exotic disease asparagus stem blight exists within Australia but outside Victoria, make the following Order.

1 Objective

The objective of this Order is to prohibit, restrict or impose conditions upon the entry or importation into Victoria of materials which are hosts of asparagus stem blight.

2 Authorising provision

This Order is made under section 36(1) of the **Plant Biosecurity Act 2010** (the Act).

3 Commencement

This Order comes into force on the day of making.

4 Revocation

The Order entitled *Order prohibiting or restricting the entry or importation into Victoria of materials which are hosts of asparagus stem blight* made under section 36(1) of the **Plant Biosecurity Act 2010**, and published in Victoria Government Gazette G39 on 1 October 2020 at pages 2053–2054 is **revoked**.

5 Definitions

In this Order –

asparagus stem blight means the disease caused by the exotic fungus *Phomopsis asparagi* (Sacc.) Bubák.

host material means any host plant, agricultural machinery, used package or earth material in which any host plant has grown.

host plant means any plant or plant product of the genus *Asparagus*.

6 Prohibitions, restrictions and conditions

The following prohibitions, restrictions and conditions are specified in relation to the entry or importation of host material.

- (a) The entry or importation into Victoria of any host material is prohibited.
- (b) Sub-clause (a) does not apply if the host material –
 - (i) originates from an area for which there is currently in force an area freedom certificate, being a certificate issued by an officer responsible for agriculture in the State or Territory from which the host material originated, certifying that the area from which the host material originated is known to be free of asparagus stem blight; or
 - (ii) is accompanied by a plant health certificate, assurance certificate or plant health declaration, certifying or declaring that the material has been tested or treated in accordance with requirements described in the Schedule to this Order; or
 - (iii) enters Victoria under and in accordance with a permit issued by an inspector and there is compliance with any conditions or requirements set out in the permit.

7 Verification of Consignments

Where requested by an inspector, host material imported into Victoria which is required by clause 6(b)(ii) to be accompanied by a certificate or declaration must be –

- (a) presented to an Inspector for inspection; or
- (b) verified by a person accredited to do so by the Department of Jobs, Precincts and Regions.

8 Expiry

This Order remains in force for a period of 12 months from the day of making.

Schedule

Host materials –

- (1) in the case of asparagus spears, must undergo –
 - (a) packing line treatment, at a minimum concentration at least 50 ppm available chlorine, at a rate of not less than 20 L/min, where the pH is maintained between 6.5 to 7.0; and where the spears remain wet for five minutes after treatment; or
 - (b) hydro cooling treatment after packing at a minimum concentration at least 50 ppm available chlorine, at a rate of not less than 20 L/min, where the pH is maintained between 6.5 to 7.0; and where the spears remain wet for five minutes after treatment.
- (2) In the case of agricultural equipment used in the cultivation, harvesting or transport of host plants, must be –
 - (a) cleaned free of earth material and organic matter by –
 - (i) brushing; or
 - (ii) high pressure water; or
 - (iii) steam; and
 - (b) inspected and found free of earth material and organic matter.
- (3) in the case of used packages, must be –
 - (a) cleaned free of earth material and organic matter by –
 - (i) brushing; or
 - (ii) high pressure water; or
 - (iii) steam; and
 - (b) disinfected by dipping or spray rinsing for at least 1 minute with –
 - (i) a solution of phenolic disinfectant followed by rinsing with water; or
 - (ii) a solution of at least 50 ppm available chlorine where the pH is maintained between 6.5 and 7.0; and
 - (c) inspected and found free of earth material and organic matter.

Conditions

A person seeking to rely on this Order is subject to the following conditions.

General Conditions

1. The exemptions outlined in the Table and the conditions set out below do not apply to gel blasters or similar devices as defined in this Order. Accordingly, a person seeking to rely on this exemption is not permitted to possess, use or carry or undertake any other activity involving a gel blaster or similar device as defined in the Order.
2. An imitation firearm may only be used for the purposes for which the exemption was granted.
3. When not being used in accordance with the purposes specified in this Order, an imitation firearm must be stored safely and securely.
‘Stored safely and securely’ means:
 - (a) stored in a manner calculated to ensure that the imitation firearm:
 - (i) is not readily accessible to a person other than the person seeking to rely on the exemption; and
 - (ii) is not available for possession, use or carriage by a person who is not themselves a holder of an approval issued by the Chief Commissioner of Police or a member of an exempted class of person under the **Control of Weapons Act 1990** in relation to imitation firearms; and
 - (b) when being transported between the usual place of storage of the imitation firearm and places at which the imitation firearm is legitimately used for the purposes that are the subject of this exemption:
 - (i) stored in a manner calculated to ensure that the imitation firearm is not readily accessible to a person other than the person seeking to rely on the exemption; and
 - (ii) concealed from plain sight during any such transportation.
4. A person seeking to rely on this exemption must, on request, permit a Victoria Police officer to inspect his or her storage arrangements at any reasonable pre-arranged time.
5. A person seeking to rely on this exemption must maintain a record of the number and types of imitation firearms in his or her possession and maintain a record of the sale of such devices, including evidence of the purchaser’s exemption or approval under the **Control of Weapons Act 1990** to purchase the imitation firearm. These records must be kept for the duration of the operation of the exemption. These records must be made available to a Victoria Police officer for inspection at any reasonable pre-arranged time.
6. A person under the age of 18 years is not permitted to purchase any prohibited weapon, including an imitation firearm. However, he or she may lawfully possess, use or carry an imitation firearm if he or she is a member of a Historical Re-enactment Organisation listed in Schedule 1 or a Collectors’ Organisation listed in Schedule 2, or of a theatre company, opera company, film production company or film or television production company as specified in Column 1 of the Table.
7. This Order does not apply to a person who is a prohibited person as defined in section 3 of the **Control of Weapons Act 1990**, regardless of whether that person is a member of a class or classes of person specified in Column 1 of the Table.

Additional conditions for Historical Re-enactment Organisations and Collectors’ Organisations

8. The following conditions only have effect in relation to members of a Historical Re-enactment Organisation or a Collectors’ Organisation (Organisation) specified in the Table in this Order who engage in activities involving imitation firearms. The conditions do not have effect in relation to other members of an Organisation who do not engage in such activities.

9. An adult person who joins an Organisation on or after the date this notice comes into effect cannot purchase an imitation firearm for **28 days** from the date upon which he or she joined the organisation. However, the 28-day waiting period does not apply if –
 - (a) the person holds a Firearms Licence issued under Part 2 of the **Firearms Act 1996**; or
 - (b) the person was a member of an exempt organisation prior to the date this Order comes into effect.
10. An Organisation must be satisfied that each of its members is not a ‘prohibited person’ as defined in section 3 of the **Control of Weapons Act 1990**. This may require the Organisation to arrange for each member to apply to Victoria Police for a National Police Check or for each member to provide a Statutory Declaration affirming that they are not a prohibited person. However, a member is not required to apply for a National Police Check or provide a Statutory Declaration if he or she holds –
 - (a) a Firearms Licence issued under Part 2 of the **Firearms Act 1996**; or
 - (b) an approval issued by the Chief Commissioner of Police under the **Control of Weapons Act 1990**; or
 - (c) a licence issued under Division 2 of Part 3 of the **Private Security Act 2004**.
11. An Organisation must provide a membership number or other form of unique identifier to each member of the Organisation. An Organisation must maintain a current register of members containing the names of members and their membership numbers and/or unique identifiers. An Organisation must, on request, permit a Victoria Police officer to inspect the register at any reasonable pre-arranged time.
12. Each member of an Organisation must provide the Organisation with the following details:
 - (a) the member’s contact details; and
 - (b) the residential address at which the prohibited weapon is stored.Any changes to these details must be notified by the member to the Organisation within 28 days.
13. An Organisation must issue to each member a membership card showing the member’s name and membership number/identifier and any other details required by the Organisation. When carrying or transporting a prohibited weapon in accordance with the conditions of this Order, a member must at all times carry his or her membership card as well as evidence of identity that includes a photograph, such as a driver’s licence or passport. This requirement is subject to the following exceptions:
 - (a) when the member is participating in a re-enactment of historical events, during the re-enactment the member is only required to carry his or her membership card; and
 - (b) when the member is aged under 18 years and is supervised by a person who is entitled to possess, use or carry an imitation firearm, the member is only required to carry his or her membership card.
14. Upon joining an Organisation, a person must acknowledge and consent to follow the conditions outlined in this Order.
15. An Organisation –
 - (a) must have an active branch operating in Australia;
 - (b) must undertake to arrange a meeting of its members at least on an annual basis;
 - (c) must not publish material, including on a website, which promulgates irresponsible, unlawful or unsafe use of a prohibited weapon; and
 - (d) must make available to its members information on the Governor in Council exemption.

Revocation

The following Order of the Governor in Council and the following exemptions in an Order of the Governor in Council made under section 8B of **Control of Weapons Act 1990** are **revoked** –

- (a) the Order in Council dated 28 June 2016 and published in the Government Gazette No. G 26 on 30 June 2016 relating to the general exemption for imitation firearms; and
- (b) the exemptions relating to imitation firearms in the Order in Council dated 8 November 2017 and published in the Government Gazette No. G 45 on 9 November 2017, which amended the Order dated 28 June 2016.

The Governor in Council under section 64 of the **National Gas (Victoria) Act 2008** makes the following Order:

1. Purpose

The purposes of this Order are to give effect to Subdivision 3 of Division 2 of Part 7 of the **National Gas (Victoria) Act 2008** and to –

- (a) vary the review submission date contained in an applicable 2018–2022 access arrangement;
- (b) declare the 2018 rate of return instrument applies to an applicable access arrangement extension period for an applicable 2018–2022 access arrangement;
- (c) modify the application of the 2018 rate of return instrument to apply to an applicable access arrangement extension period for an applicable 2018–2022 access arrangement;
- (d) set out principles with which variations made to an applicable 2018–2022 access arrangement must conform;
- (e) specify particular variations which must, or must not, be made to an applicable 2018–2022 access arrangement; and
- (f) specify matters to which an applicable 2023–2027 access arrangement must, or must not, apply.

2. Authorising provision

This Order is made under section 64 of the **National Gas (Victoria) Act 2008**.

3. Commencement

This Order takes effect on the day it is published in the Victoria Government Gazette.

4. Definitions

In this Order –

2018 rate of return instrument has the same meaning as it has in section 61 of the **National Gas (Victoria) Act 2008**;

accepted averaging period in relation to the **applicable access arrangement extension period**, means a risk-free rate averaging period or a return on debt averaging period that:

- a. is nominated by a **Victorian distributor** and satisfies the relevant conditions specified in the **extension period rate of return instrument**; or
- b. applies in accordance with the **extension period rate of return instrument** as a default period in the event that the **Victorian distributor** does not nominate a period or its nominated period does not satisfy the relevant conditions specified in the instrument;

access arrangement has the same meaning it has in the National Gas (Victoria) Law;

AER means the Australian Energy Regulator;

applicable 2018–2022 access arrangement has the same meaning as it has in section 61 of the **National Gas (Victoria) Act 2008**;

applicable 2023–2027 access arrangement has the same meaning as it has in section 61 of the **National Gas (Victoria) Act 2008**;

applicable access arrangement extension period has the same meaning as it has in section 61 of the **National Gas (Victoria) Act 2008**;

extension period allowed revenue in respect of a **variation decision** means the revenue to be derived from the provision of the relevant pipeline services for the **applicable access arrangement extension period** determined by the AER in accordance with clause 8.

extension period building block revenue in respect of a **variation decision** means the total revenue as referred to in rule 76 of the National Gas Rule for the **applicable access arrangement extension period** determined by the AER in accordance with the National Gas Rule and this Order;

extension period rate of return instrument means the instrument that applies in accordance with clause 6 of this Order to the making of an AER economic regulatory decision in relation to the **applicable access arrangement extension period** for an **applicable 2018–2022 access arrangement**;

placeholder averaging period in relation to an **applicable access arrangement extension period**, means any risk-free rate averaging period or return on debt averaging period that is applied by the AER as an alternative averaging period in accordance with clause 7 of this Order;

variation decision has the same meaning it has in section 61 of the **National Gas (Victoria) Act 2008**;

Victorian distributor has the same meaning it has as in section 61 of the **National Gas (Victoria) Act 2008**.

5. Access arrangement period for an **applicable 2018–2022 access arrangement**

Despite anything to the contrary in the National Gas (Victoria) Law, the National Gas Rules or an **applicable 2018–2022 access arrangement**, for the purpose of an **applicable 2018–2022 access arrangement**,

- a) the revision commencement date is 1 July 2023, and all references in the **applicable 2018–2022 access arrangement** to 1 January 2023 are taken to be references to 1 July 2023;
- b) the **applicable access arrangement extension period** is taken to be a regulatory year for the **applicable 2018–2022 access arrangement**.

6. Rate of return instrument for the **applicable access arrangement extension period**

Despite anything to the contrary in the National Gas (Victoria) Law, the National Gas Rules or an **applicable 2018–2022 access arrangement**:

- a) subject to paragraph (b), it is declared that the **2018 rate of return instrument** applies to the **applicable access arrangement extension period** for each **applicable 2018–2022 access arrangement**;
- b) the AER, for the purposes of giving effect to Subdivision 3 of Division 2 of Part 7 of the **National Gas (Victoria) Act 2008**, may modify the application of the **2018 rate of return instrument** to the making of an AER economic regulatory decision in relation to the **applicable access arrangement extension period** of an **applicable 2018–2022 access arrangement**;
- c) the AER must publish any modifications made under paragraph (b).

7. Application of the rate of return instrument

For a **variation decision**, for the purposes of determining the **extension period building block revenue**, despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules,

- a) subject to paragraph (b), the rate of return and the value of imputation credits for the **applicable access arrangement extension period** must be determined in accordance with the **extension period rate of return instrument**;

- b) if the AER considers it necessary or expedient for making a **variation decision**, it may apply an alternative averaging period that it considers appropriate instead of an **accepted averaging period** in applying the **extension period rate of return instrument** for the purposes the **variation decision**.

Note: If the AER determines to use an alternative averaging period instead of an **accepted averaging period** in accordance with this clause 7, pursuant to clause 9 appropriate adjustments may be made in an **applicable 2023–2027 access arrangement**.

8. Variation to an **applicable 2018–2022 access arrangement**

Victorian distributors to submit proposal for the **applicable access arrangement extension period**

On or before 1 April 2022, each **Victorian distributor** must submit to the AER a proposal for a **variation decision** that is applicable to it. The proposal must be accompanied by information referred to in rules 72(1)(a) to (m) of the National Gas Rules, as is relevant to the proposal.

Forecast Operating Expenditure

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a **variation decision**, for the purposes of determining the **extension period building block revenue**, the forecast of operating expenditure for the **applicable access arrangement extension period** must consist of parts that:

- a) the AER is satisfied meet the criteria governing operating expenditure set out in rule 91 of the National Gas Rules; or
- b) are expenditure not exceeding half of the corresponding forecast operating expenditure as approved by the AER for the regulatory year commencing on 1 January 2022, adjusted for inflation and any rate of change that the AER considers appropriate having regard to changes in output, prices, productivity and any other relevant factors that the AER may consider relevant.

Forecast Capital Expenditure

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a **variation decision**, for the purposes of determining the projected capital base for the **applicable access arrangement extension period** under rule 78 of the National Gas Rules and determining the **extension period building block revenue**, forecast conforming capital expenditure consists of parts that:

- a) the AER is satisfied meet the new capital expenditure criteria set out in rule 79 of the National Gas Rules; or
- b) are expenditure not exceeding half of the average of the corresponding forecast capital expenditure as approved by the AER over the previous regulatory years as selected by the AER, adjusted for inflation.

Financial models

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a **variation decision**, for the purposes of determining the **extension period building block revenue**, the AER may apply:

- a) any financial models that the AER has published under rule 75A of the National Gas Rules;
- b) the revenue model and the capital base roll forward model that the relevant **applicable 2018–2022 access arrangement** was initially based on when it was approved by the AER; or
- c) some variants of the models referred in paragraph (a) and (b).

Depreciation

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a *variation decision*, for the purposes of determining the *extension period building block revenue*, the AER may apply the depreciation schedules included in the relevant *applicable 2018–2022 access arrangement* to the *applicable access arrangement extension period*, as may be modified by the AER to reflect the length of the *applicable access arrangement extension period*.

Revenue adjustment as a result of any incentive scheme in the previous access arrangement

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a *variation decision*, for the purposes of determining the *extension period building block revenue*:

- (a) AER may decide that revenue increments or decrements do not apply to the *applicable access arrangement extension period* in respect of an incentive mechanism included in the *access arrangement* that applied immediately before the *applicable 2018–2022 access arrangement* (previous access arrangement);
- (b) where the AER decides that revenue increments or decrements apply to the *applicable access arrangement extension period* in respect of an incentive mechanism included in the previous access arrangement, the AER may make any modifications to the application of the incentive mechanism to the *applicable access arrangement extension period* that it considers necessary to be made as a consequence of the enactment of Subdivision 3 of Division 2 of Part 7 of the **National Gas (Victoria) Act 2008**.

Revenue and tariffs for the *applicable access arrangement extension period*

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, for a *variation decision*, for the purposes of determining tariffs for the *applicable access arrangement extension period* under Division 8 of the National Gas Rules:

- (a) AER must determine the revenue to be derived from the provision of the relevant pipeline services for the *applicable access arrangement extension period* that is an amount between:
 - a. the *extension period building block revenue*, and
 - b. the total revenue for the *applicable access arrangement extension period* determined by the AER based on the tariffs and tariff classes approved by the AER for the regulatory year commencing on 1 January 2022, adjusted for inflation;

Note: Such revenue determined by the AER to be derived from the provision of the relevant pipeline services for the *applicable access arrangement extension period* is defined in clause 4 as the *extension period allowed revenue*.

- (b) Division 8 of the National Gas Rules applies as if the references to ‘total revenue’ in that Division were references to the *extension period allowed revenue*.

Note: If the AER determines an *extension period allowed revenue* that is different from the *extension period building block revenue* in accordance with this clause 8, pursuant to clause 9 appropriate adjustments may be made in an *applicable 2023–2027 access arrangement*.

9. *Applicable 2023–2027 access arrangement*

Review Submission Date

Despite anything to the contrary in the National Gas (Victoria) Law, the National Gas Rules or an *applicable 2018–2022 access arrangement*, for the purposes of the National Gas Rules, the review submission date for each of the *applicable 2018–2022 access arrangements* is 1 July 2022.

Reference service proposal

- (a) Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, each document described as ‘reference service proposal’ that was submitted by a *Victorian distributor* to the AER on or before 1 July 2021 and that contains information set out in rules 47A(1) and (2) is taken to be a reference service proposal for the purposes of the National Gas Rules.
- (b) Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, the AER is itself to propose a reference service proposal for the relevant pipeline of a *Victorian distributor*, only if the *Victorian distributor* did not submit to the AER a document referred to in paragraph (a) on or before 1 July 2021.

Capital base roll forward model

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, in making a decision in relation to an *applicable 2023–2027 access arrangement*, the AER may make any modifications to the application of the capital base roll forward model it has published under rule 75A of the National Gas Rules that it considers necessary to be made as a consequence of the enactment of Subdivision 3 of Division 2 of Part 7 of the **National Gas (Victoria) Act 2008**.

True up for adjustments to cost of capital for an applicable 2023–2027 access arrangement

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, if, in applying the *extension period rate of return instrument* for the purposes of determining the *extension period building block revenue* for a *variation decision*, the AER applies a *placeholder averaging period* instead of an *accepted averaging period* in accordance with clause 7, the relevant *applicable 2023–2027 access arrangement* may make provision for appropriate adjustments for the difference between applying the *accepted averaging period* and applying the *placeholder averaging period*.

Note: This clause deals with adjustments for the difference in the *extension period building block revenue* resulting from applying a *placeholder averaging period* instead of an *accepted averaging period*. The next clause deals with separate adjustments for any difference between the *extension period allowed revenue* and the *extension period building block revenue*.

True up for revenue for the applicable access arrangement extension period

Despite anything to the contrary in the National Gas (Victoria) Law or the National Gas Rules, if in a *variation decision* the AER determines in accordance with clause 8 an *extension period allowed revenue* that is different from the *extension period building block revenue*, the relevant *applicable 2023–2027 access arrangement* may make provision for appropriate adjustments for the difference.
