**THIS NOTICE HAS BEEN  
WITHDRAWN**

**Subordinate Legislation Act 1994**  
NOTICE OF PREPARATION OF  
REGULATORY IMPACT STATEMENT  
Planning and Environment (Fees)  
Regulations 1999

Notice is given under section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared in relation to the proposed Planning and Environment (Fees) Regulations 1999.

The primary objective of the proposed Regulations is to ensure that Responsible Authorities in Victoria are able to continue to recover partial costs of delivering a number of key planning services whilst a full review of these fees is being completed.

Under the **Planning and Environment Act 1987**, planning and responsible authorities are required to provide a range of planning services. Four of these currently attract fees: planning permit applications; amendments to planning schemes; determination of "satisfaction" matters; and provision of planning certificates. Planning fees are an important contribution to the cost of providing those services.

In order to review the current fees and set an appropriate level for any new fees, a comprehensive review of planning fees is currently under way, and due to be completed by mid-1999. As the current fees regulations are due to sunset in February 1999, interim measures are required to ensure that fees are able to be collected until the completion of the comprehensive review. The proposed regulations are therefore being sought in order to fill the gap between the sunset of current fees regulations on 9 February 1999 and the introduction of new fees regulations on or before 9 October 1999.

The RIS presents an assessment of the costs and benefits of the proposed regulations, examines regulatory alternatives to the proposal and concludes that the benefits of the proposed regulations outweigh the costs. Copies of the RIS and the proposed Regulations may be obtained from the Department of Infrastructure Bookshop, Upper Plaza, 80 Collins Street, Melbourne, between the hours of 8.30 a.m. to 5.00 p.m., Monday to Friday. The bookshop can be contacted by phone on (03) 9655 8830.

Public comments or submissions on the proposed Regulations and RIS are invited. All comments or submissions must be in writing and sent to: Mr Chris Turner, Policy and Legislation Unit, Department of Infrastructure, G.P.O. Box 2797Y, Melbourne, Vic. 3001. Submissions must be received no later than 5.00 p.m. on Thursday 3 December 1998.

All submissions will be treated as public documents.

errors are minimised, the following guidelines are to be  
observed when submitting material by fax.

**Fax resolution:**

Material sent by fax should be transmitted using Fine  
Resolution (200 dots per inch by 200 dpi).

**Font size:**

Use 12 point (10 pitch) or larger.

**Font Style:**

Clear plain font styles, such as Helvetica, should be used.

**Graphics:**

Line drawings should be transmitted as large as possible to  
ensure clarity. Drawings up to A4 size sent by fax using Fine  
Resolution provide a good quality for reproduction.

Italics, underlining and full justification.

Ensure document is square when sending as documents that are  
sent skewed are difficult to read and process.
