STONNINGTON CITY COUNCIL  
Proposed Local Law

General Local Law (Miscellaneous  
Amendments) Local Law 1998

Notice is given that Stonnington City Council proposes to make the General Local Law (Miscellaneous Amendments) Local Law 1998.

The purpose of the proposed local law is to make several amendments to the Council's General Local Law 1995 (No. 1).

The proposed local law will, on its commencement, amend the principal local law as follows:-

**Building works which may cause interference with Council land**

A permit will be required for building works which may cause interference with Council land. Permit applicants may be required to lodge a bond and to meet inspection costs. If

damage is caused the owner and occupier of the land on which building works have taken place may be required to pay for rectification.

**Parking offences**

Parking offences relation to no-parking areas and parking bays are created.

**Promotional activity on streets**

An existing offence relating to the conduct of a street festival or procession on a road without a permit is extended to apply to promotional activity.

**Noise**

Amendments are made to offences relating to noise, including introduction of restrictions on night-time transport of goods from commercial premises, and on amplified speech or music which is audible from outside premises.

**Advertisements**

Amendments are made to the offence relating to advertisement on Council land.

**Drainage of properties**

Provision is inserted for Council to serve a notice to comply in relation to inadequate drainage on properties.

**Incinerators and fires**

Modifications are made to the controls on barbecues, including insertion of a restriction on emission of ashes and smoke to the extent that is dangerous or offensive.

**Property owners' obligations — fire hazards and unsightly premises**

Obligations in relation to unsightly premises are extended to owners, occupiers and persons in charge of the premises.

**Building operations**

The scope of Division 4 of Part 7 ("Building Operations") is limited to activities which cause noise. Amendments are made to the days on which building operations must not occur without a permit, and the restriction is extended to building operations on roads and Council land.

**Protection of trees**

A new division is to be inserted into the principal local law which will create an offence if a significant tree on or over private property is cut, trimmed or removed without a permit. A "significant tree" is defined as a tree with a

trunk diameter greater than 45 centimetres measured 1.5 metres above ground level, or which has been listed by the Council in its significant trees register.

The criteria for issuing a permit will include whether the tree has been listed in the register, and health, safety and amenity considerations.

#### **Keeping of animals**

An amendment is made to the definition of "domestic bird" (substituting "quail" for "peacock"), and an error is corrected in relation to the ceiling number of animals which can be kept without a permit.

#### **Other amendments**

The proposed local law will also revoke provisions of the General Local Law considered to be unnecessary, dealing with removal of shopping trolleys, installation of satellite dishes and measures to control vermin. In addition, amendments are made to requirements about the duration of time rubbish receptacles may be left on the road for the purposes of collection, an amendment is made to the objectives clause of the principal local law, and new definitions of "council reserve", "parking bay" and "significant tree" are inserted.

A copy of the proposed local law can be obtained from Reception, Prahran Town Hall, corner Chapel and Greville Streets, Prahran or from Reception, Malvern Civic Centre, corner Glenferrie Road and High Street, Malvern, free of charge between 8.30 a.m. and 5.00 p.m. Monday to Friday.

Any person requesting to be heard in support of a written submission is entitled to appear before a meeting of the Council or a Council committee, either personally or by a person acting on his or her behalf, and will be notified of the time and date of the hearing.

Submissions should be lodged at the above offices of the Council, or posted to the Council at P.O. Box 21, Prahran 3181. Enquiries should be directed to Mr. Ian Waldren, Regulatory Services Co-ordinator.
