#### GREATER BENDIGO PLANNING SCHEME

#### Notice of Amendment

#### Amendment C34

The Amendment applies to 47 Lansell Street, Bendigo, the site of the former VicRoads depot (Lot 2 on PS 434810S – 2.615 ha) and part of the carpark of the adjoining VicRoads office (part Lot 3 on PS 434810S – 4574 m<sup>2</sup>). The site is bound by Lansell Street to the south and Lloyd Street to the north and is currently occupied by the disused depot buildings (previously abattoir).

The Amendment proposes to change the Greater Bendigo Planning Scheme (the Scheme) by the rezoning of Lot 2 from Public Use Zone 2 – Education to Residential 1 Zone and to rezone part of the VicRoads office site (part Lot 3) to Public Use Zone 1 – Service and Utility. The Amendment will facilitate the development of a residential estate over the entire Lot 2 site.

Application of a Development Plan Overlay and associated Schedule 13 – Lansell Crest Estate, Bendigo over Lot 2 allows the future redevelopment of the land to be appropriately controlled by a Development Plan prepared to the satisfaction of the Planning Authority. The Development Plan provides the means of ensuring that a managed and orderly approach is adopted regarding the form and condition of the land's future use and development and must describe:

- the layout of the proposed subdivision showing a variety of lot sizes, dwelling types and orientations;
- the topography of the land, giving consideration to the significant views beyond the site;
- identify any sites of conservation, heritage or archaeological significance and the means by which they will be managed;
- the internal road network and the links with existing roads;
- the network of pedestrian and bicycle access routes;
- details of access to and from the site;
- describe the staging and density of the development;
- measures taken to address any possible conflict with abutting non-residential uses;
- the location of private open space areas;
- provision of public open space;
- appropriate landscaping theme(s) for nature strips and public open space areas;
- any native vegetation to be retained and protected;
- provision of water, drainage, electricity, sewerage, data cable conduit, gas and the common trenching of compatible services;
- provision and funding of necessary physical and social infrastructure.

The Amendment can be inspected, free of charge, during office hours at the Department of Infrastructure, Northern Region, 57 Lansell Street, Bendigo; the Department of Infrastructure, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne; or the Planning Department, City of Greater Bendigo, 15 Hopetoun Street, Bendigo.

Submissions about the Amendment/application must be sent to the Planning Department, City of Greater Bendigo, PO Box 733, Lyttleton Terrace, Bendigo 3552 by 5.30 pm on Monday 28 October 2002.

#### **MANNINGHAM CITY COUNCIL**

#### **Notice of Amendment to the Manningham Planning Scheme**

##### **Amendment C15**

Manningham City Council has prepared Amendment C15 to the Manningham Planning scheme.

The Amendment applies to land contained within the Public Use Zone – Local Government (PUZ6) and Public Park and Recreation Zone (PPRZ) throughout the municipality, that contain active recreational facilities.

The Amendment is required because the current planning scheme provisions for signage are quite restrictive considering the variety of uses that can operate within the Public Use Zone – Local Government (PUZ6) and Public Park and Recreation Zone (PPRZ).

The Amendment proposes to amend the schedules to Public Use Zone – Local Government (PUZ6) and Public Park and Recreation Zone (PPRZ) to enable planning permit applications to be considered by council for a broader range of signage within these zones. Effectively, this would allow sponsorship signage within sporting reserves and major recreational facilities located within the municipality that are currently prohibited under the provisions of the Manningham Planning Scheme.

The Amendment can be inspected during office hours and is free of charge at: Manningham City Council Municipal Offices, 699 Doncaster Road, Doncaster and Department of Infrastructure, Level 3 Plaza, Nauru House, 80 Collins Street, Melbourne.

Submissions about the Amendment must be sent to: Manningham City Council, PO Box 1, Doncaster, Vic. 3108 Attention: Manager, Economic & Environmental Planning, before 12 November 2002.

The partial revocation takes effect on and from 27 December 2002.

Dated 19 September 2002

Ms CATE McKENZIE

EXEMPTION

Application No. A249/2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Beach House Gyms Franchising (Australia) Pty Ltd (ACN 098 577 667) for exemption from Sections 13, 42, 59, 65, 100 and 195 of that Act. The application for exemption is to enable the applicant, either by itself or by persons who are or may become its franchisees to engage in the specified conduct.

In this exemption the 'specified conduct' means all or any of the following –

- (a) to provide health and fitness centres for women only;
- (b) to provide, in fitness centres catering for men and women, a separate section for women only;
- (c) to employ women only to staff the fitness centres mentioned in paragraph (a) and paragraph (b);
- (d) to advertise the services mentioned in paragraphs (a) and (b) and to advertise for and employ women for the positions mentioned in paragraph (c).

Upon reading the material submitted in support of the application and upon hearing submissions from Mr Sadler and for the Reasons for Decision given by the Tribunal on 19 September 2002, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 42, 59, 65, 100 and 195 of the Act to enable the applicant, either by itself or by persons who are or may become its franchisees to engage in the specified conduct.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 42, 59, 65, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant, either by itself or by persons who are or may become its franchisees to engage in the specified conduct.

This exemption is subject to the condition that, within 14 days after any of the following matters occur, the applicant must advise the Tribunal in writing in accordance with the following paragraphs:–

- (a) if the activities engaged in by the Applicant or its franchisees and which are the subject

of this exemption change – the nature of the change;

- (b) if the applicant's criteria for the selection or approval of sites for its health or fitness centres (whether operated by it or its franchisees) change – details of the changes;
- (c) if the applicant selects or approves the selection of a new site for a health and fitness centre (excluding the sites mentioned in the Tribunal's reasons for decision in this exemption) – details as to –
- (i) whether the centre is to be mixed with a women only section or for women only;
  - (ii) whether there are other women only health and fitness centres or health and fitness centres with sections for women only within a three (3) kilometre radius of the site, and how many of these there are;
  - (iii) whether the applicant, by its own knowledge or through its franchisees, is aware of any opposition to the establishment of a health and fitness centre on that site;
  - (iv) the public demand for a centre of the kind proposed by the applicant.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 25 September 2005.

Dated 19 September 2002

Ms CATE McKENZIE  
Deputy President

#### EXEMPTION

Application No. A305 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Mt Beauty Secondary College (the applicant). The application for exemption is to enable the applicant to advertise for and employ a male physical education teacher.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the

Act to enable the applicant to advertise for and employ a male physical education teacher.

In granting this exemption the Tribunal noted:–

- the school is a small school with 205 students with positions for two physical education teachers;
- the physical education programme is compulsory for all students in years 7 to 10, and is taught in single sex groupings as the school believes this to be of benefit to both adolescent boys and girls;
- the school currently has two teachers, one male and one female. The male teacher has announced his intention to resign and there is a need for a specifically male appointment to replace him;
- the school considers that appropriate teaching of boys' sports would be impossible without a male teacher;
- appropriate supervision of boys in change rooms requires a male appointment.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male physical education teacher.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 26 September 2005.

Dated 20 September 2002

#### EXEMPTION

Application No. A311 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Goulburn Valley Centre Against Sexual Assault (the applicant). The application for exemption is to enable the applicant to advertise for and employ a female counsellor.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the

Act to enable the applicant to advertise for and employ a female counsellor.

In granting this exemption the Tribunal noted:

- that the applicant provides assistance and counselling to the victims of sexual assault;
- that perpetrators of sexual assault are overwhelmingly male;
- that clients seeking counselling prefer a female counsellor and say that they feel more comfortable talking with women about their sexual assault.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a female counsellor.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 26 September 2005.

For the avoidance of doubt, a reference in this Notice to the specification of a toll zone by reference to Burnley Street refers to that point on the Link road where Burnley Street would cross the Link road if Burnley Street continued in a straight southerly direction from its southernmost extremity. For the avoidance of doubt, a reference in this Notice to "eastbound" means in a general easterly direction from the eastern end of the West Gate Freeway towards Glenferrie Road.

Notwithstanding anything to the contrary in Table One, under section 71(1) (b) of the Act and in accordance with the Agreement, the maximum tolls payable in respect of the use of a vehicle on a toll zone on the Link road where that vehicle is a Car, a LCV or a HCV for a Trip are as listed in Table Two:

<b>Table Two</b>			
<b>Trip Cap</b>	<b>Toll</b>

Under Section 71(1)(b) of the Act, and in accordance with the Agreement, the tolls listed in Table Three are payable in respect of the use of vehicles on toll zones on the Link road where those vehicles are Taxis:

<b>Table Three</b>	
<b>Taxis</b>	<b>Toll</b>

Each Full Link Taxi Trip	3.85

For the avoidance of doubt, this Notice does not set Charge Tolls, Maximum Charge Tolls or Taxi Tolls for the purposes of Schedule 3 (the Toll Calculation Schedule) of the Agreement, or Schedule 4 (the Toll Calculation Schedule) of the Integration and Facilitation Agreement.

For the avoidance of doubt, this Notice also:

- (i) revokes or repeals; or, in the alternative
- (ii) amends –
