##### Notice of Preparation of Amendment

##### Amendment C87

##### Authorisation A0435

The Mornington Peninsula Shire Council has prepared Amendment C87 to the Mornington Peninsula Planning Scheme.

In accordance with section 9(2) of the **Planning and Environment Act 1987**, the Minister for Planning authorised the Mornington Peninsula Shire Council as planning authority to prepare the Amendment.

The land affected by the Amendment is bounded by the Nepean Highway, Humphries Road, Moorooduc Road and Canadian Bay Road, Mt Eliza. This area is referred to as the Mt Eliza Woodland area.

The Amendment proposes to modify the existing Design and Development Overlay – Schedule 4 to remove the provision which enables the consideration of applications for the subdivision of land into no more than two lots for every 2600 square metres of site area in conjunction with an application for the development of more than one dwelling on a lot in the Mt Eliza Woodland area.

The Amendment will have the effect of requiring a minimum lot size of 2500 square metres for any new lot within the Mt Eliza Woodland area.

The Amendment also introduces new limits on the form of second dwellings which may be considered in the Mt Eliza Woodland Area. The new provisions state:

In the area bounded by Nepean Highway, Humphries Road, Moorooduc Road and Canadian Bay Road, Mt Eliza, a second dwelling may only be approved if all of the following requirements are met:

- The land has an area of at least 2600 square metres;
- The second dwelling is attached to the existing main dwelling;
- The second dwelling has a floor area of no more than 100 square metres;
- The total size coverage of all buildings (including garages and other outbuildings) does not exceed 20% of the total lot area;
- A section 173 agreement is created to prevent the subdivision of the subject land. The agreement must be registered on title.

These requirements cannot be varied with a permit.

Finally, the Amendment varies the existing provisions of the Design and Development Overlay – Schedule 4 to require planning approval in the Woodland area if it is proposed:

- a) to locate a building further forward on a lot than a building on an adjacent lot, if the lot area is less than 1500 square metres;
- b) to locate a garage or outbuilding further forward on a lot than a dwelling on the same lot;
- c) to construct a solid front fence with a height of more than 1.5 metres; or
- d) to construct a building less than 10 metres from a side boundary on any lot with an area greater than 2500 square metres.

#### EXEMPTION

Application No. A291/2006

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act"), by Diabetes Australia – Vic ("the applicant"). The application for exemption is to enable the applicant to give preference to Aboriginal or Torres Strait Islander applicants in employing a person in the position of Aboriginal Liaison Officer ("the specified conduct").

Upon reading the material submitted in support of the application, including an affidavit sworn by Ms Linda DeCieri of Diabetes Australia – Vic the Tribunal is satisfied that it is

appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted that:

- the applicant is the peak consumer charity representing people with diabetes in Victoria. The incidence of diabetes in Indigenous communities is many times higher than the incidence in non-Indigenous communities, with the prevalence of diabetes in Australia estimated at approximately 7.5%, compared with an incidence of up to 30% of the population in some Aboriginal communities.
- A person of Aboriginal or Torres Strait Islander backgrounds will be better able to advise the applicant's staff about cultural issues facing the Aboriginal and Torres Strait Islander community, particularly with respect to health, to enable the applicant to devise and deliver culturally appropriate and sensitive programs.
- The duties of the position of Aboriginal Liaison Officer are to develop and maintain strong relationships with Aboriginal and Torres Strait Islander community groups and organisations and a person of Aboriginal or Torres Strait Islander background would facilitate this process.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 18 October 2009.

Vice President

#### EXEMPTION

Application No. A292/2006

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act"), by the International Women's Development Agency

(“the applicant”). The application is for renewal of exemption A381/2003 from Sections 13, 100 and 195 of the Act which is due to expire on 20 November 2006. The application for exemption is to enable the applicant to advertise for and employ females in all positions within the agency (“the specified conduct”).

Upon reading the material submitted in support of the application, including the affidavit of Ms Suzette Mitchell of the applicant, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ females in all positions within the agency.

In granting this exemption the Tribunal noted:

- the applicant is an international development agency working for the elimination of poverty and for the empowerment of women around the world;
- the applicant assists women internationally to develop skills and to gain access to resources and promotes projects and programs which demonstrate women’s competence and effectiveness as agents of development in agriculture, marketing, manufacturing, health, education, water supply, housing and other fields;
- the applicant is a voluntary organisation which undertakes development in partnership with women of other countries and Aboriginal and migrant women in Australia, and gives priority to working with women who suffer poverty and depression;
- it is important that female field workers be employed in the agency’s international development projects because of the cultural sensitivities in relation to the women in the countries where those projects are undertaken and women in those countries will be more likely to communicate freely with the field workers if those workers are also women;
- it is important to make local positions with the agency available to women only to encourage the self development of Australian women and to provide them with additional career paths;
- previous exemptions were granted to the applicant and the grounds on which those exemptions were granted are substantially the same as these grounds.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ females in all positions within the agency. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 October 2009.

JUDGE DAVIS  
Vice President

#### EXEMPTION

Application No. A300/2006

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Monash University (“the applicant”). The application for exemption is to enable the applicant to advertise for and employ an Indigenous person only to the position of Administrative Officer (“the specified conduct”).

Upon reading the material submitted in support of the application, including an affidavit of Ms Amanda Lazar of Monash University, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted that:

- the Indigenous Administrative Officer position is being created by the applicant as part of its Advancing Employment Program.
- The creation of the position of Indigenous Administrative Officer will assist the applicant to increase the number of Indigenous employees across the University to reflect the percentage of the Indigenous population where the applicant operates.
- The applicant wishes to create this role in order to provide training for Indigenous staff and build faith within the Indigenous communities by demonstrating that the University is serious about creating opportunities for Indigenous employment.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13,

100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 18 October 2009.

PHARMACY BOARD OF VICTORIA

Re: Eric Dennis Zrna

A Panel of the Pharmacy Board of Victoria on Wednesday 6 September 2006 conducted a formal hearing into the professional conduct of Mr Eric Dennis Zrna.

The Panel determined pursuant to Section 69(2) of the **Pharmacy Practice Act 2004** (“the Act”) that Mr Zrna had engaged in unprofessional conduct of a serious nature.

Further the Panel determined that:

- (a) pursuant to Section 69(2)(c) the Panel reprimands Mr Zrna in the strongest possible terms for his failure to observe the requirements of the **Drugs, Poisons and Controlled Substances Act 1981** and the **Drugs, Poisons and Controlled Substances Regulations 1995**. The known abuse of anabolic steroid drugs and the possible dangers to the public in circumstances where a genuine therapeutic need had not been determined and without appropriate supervision, constituted unprofessional behaviour of a serious nature. The Panel noted that Mr Zrna’s unauthorised supply of Deca-Durabolin® and Primoteston Depot® were serious for the following reasons:
  - there was no evidence to demonstrate that the consumer had previously received these Schedule 4 poisons from Mr Zrna;
  - Mr Zrna supplied these Schedule 4 poisons repeatedly without a prescription or emergency directions from a prescriber;
  - Mr Zrna had not provided any evidence to demonstrate that he supplied the Primoteston Depot® and Deca-Durabolin® for the treatment of a chronic stable medical condition;
  - Mr Zrna did not make or keep records of supply; and
  - the quantity supplied on the first occasion exceeded the quantity that would usually be supplied as an ‘owing prescription’ and very quickly the progressive quantity supplied became much higher than that needed for the medical treatment of a single individual.

- The repetitive nature of the offences including the repeated supply to one particular individual over a four month period on 16 occasions without having sighted a single prescription constitutes unprofessional conduct of a serious nature.
- (b) Pursuant to Section 69(2)(g) this Panel suspends the registration of Mr Zrna for 6 months from 29 September 2006.

1. **Citation**

This Order may be cited as the Appeal Costs (Maximum Amount) Order (No. 3).

2. **Definitions**

In this Order –

- (a) **“Act”** means the **Appeal Costs Act 1998**;
- (b) **“Board”** means the Appeal Costs Board;
- (c) **“each day”** means “each day in respect of which an indemnity certificate has been granted”;
- (d) **“circuit town”** means a non-metropolitan location at which the Supreme Court, County Court or Magistrates’ Court sits;
- (e) **“plea”** means proceeding listed as a plea;
- (f) **“trial”** means proceeding listed as a trial.

3. **Authorising Provisions**

This Order is made under sub-ss 17(5) and (6) of the Act.

4. **Objective**

It is the objective of this Order to give effect to the intention of s 17(5) of the Act by specifying maximum amounts payable by the Board to a party for each day in respect of which an indemnity certificate has been granted under s 17 of the Act where the hearing of criminal proceedings is adjourned. As the amounts specified are maximum amounts, it is also the objective of this Order to otherwise not interfere with the Board’s consideration of whether costs claimed by a party to whom an indemnity certificate has been granted under s 17 have been reasonably incurred within the meaning of s 35B of the Act, or with any other power or function of the Board under the Act.

5. **Specified Maximum Amounts**

5.1 **Magistrates’ Court and Children’s Court**

In relation to all summary crime proceedings, bail hearings and committal mentions in the Magistrates’ Court or the Children’s Court, the maximum amount payable by the Board to a party for each day is \$359.

In relation to contested committals in the Magistrates’ Court or the Children’s Court, the maximum amount payable by the Board to a party for each day is \$585.

5.2 **County Court**

In relation to appeals in the County Court (whether by the Crown or any other person), the maximum amount payable by the Board to a party for each day is \$600.

In relation to a plea in the County Court, the maximum amount payable by the Board to a party for each day is \$385.

In relation to a trial in the County Court, the maximum amounts payable by the Board to a party for each day are \$825 in respect of counsel or an advocate and \$256 per half day in respect of an instructing solicitor.

**5.3 Supreme Court**

In relation to a plea in the Supreme Court, the maximum amount payable by the Board to a party for each day is \$605.

In relation to a trial in the Supreme Court, the maximum amounts payable by the Board to a party for each day are \$1,320 in respect of counsel or an advocate and \$450 per half day in respect of an instructing solicitor.

In relation to bail hearings in the Supreme Court, the maximum amount payable by the Board to a party for each day is \$605.

**5.4 Court of Appeal**

In relation to Crown appeals in the Court of Appeal, the maximum amount payable by the Board to a party for each day is \$1,250. In relation to other appeals in the Court of Appeal, the maximum amount payable by the Board to a party for each day is \$917.

**5.5 Senior Counsel**

If in respect of any criminal proceeding to which this Order relates application is made to the Board for payment in relation to Senior Counsel, separate payment for Senior Counsel may be made to the maximum amounts specified in this sub-clause.

Where Senior Counsel is briefed in relation to Crown appeals in the Court of Appeal, the maximum amount payable by the Board to a party for each day in respect of Senior Counsel is \$2,900. Where Senior Counsel is briefed in relation to any other criminal proceeding, the maximum amount payable by the Board to a party for each day in respect of Senior Counsel is \$2,035.

[**Note:** Section 35B(a) of the Act requires the Board, in considering whether costs have been reasonably incurred, to take into account whether the seniority and number of counsel engaged were appropriate for the proceeding.]

**5.6 Circuit towns**

The following amounts are specified in respect of any criminal proceeding heard in a circuit town in which counsel or an advocate does not reside or is not his or her place of business, as the maximum amounts payable by the Board to a party, subject to the requirements of the Act.

If by reason of an adjournment of a criminal proceeding heard in a circuit town counsel or an advocate is reasonably required to stay overnight in the circuit town, the maximum amount payable by the Board as an overnight fee for each day is \$118.

If by reason of an adjournment of a Magistrates' Court or Children's Court criminal proceeding heard in a circuit town counsel or an advocate is reasonably required to undertake travel in excess of 80 kilometres, the maximum amount payable by the Board in respect of that travel is 58.3 cents per kilometre in excess of 80 kilometres.

In respect of an adjournment of a County Court appeal, plea or trial or a Supreme Court plea or trial in a circuit town the maximum amount payable by the Board as a circuit fee for counsel for each day is the fee set out in Table 1 opposite the corresponding circuit town.

The following amounts are specified in respect of a solicitor who instructs in a County Court or Supreme Court trial that is heard more than 50 kilometres from his or her place of business as the maximum amounts payable by the Board to a party, subject to the requirements of the Act.

If by reason of an adjournment of a trial in the County Court or Supreme Court a solicitor is reasonably required to stay away from home overnight, the maximum amount payable by the Board as an overnight fee for each day is \$118.

In respect of a solicitor who instructs in a County Court or Supreme Court trial that is heard more than 50 kilometres from his or her place of business, the maximum amount payable by the Board as a circuit fee will depend on the distance between the solicitor's place of business and the place where the proceeding is heard. The maximum amount payable is the fee set out in Table 1 opposite the corresponding circuit town whose distance from Melbourne is the same as, or the closest to, the distance between the solicitor's place of business and the place the proceeding is heard.

6. This Order operates on and from the date it is published in the Government Gazette.
7. This Order applies to indemnity certificates granted under section 17 of the **Appeal Costs Act 1998** since, and including, 1 July 2006.
8. This Order revokes the Appeal Costs (Maximum Amount) Order (No. 2), published in the Government Gazette on 20 October 2005.

I, John Thwaites, Minister for Water, as Minister administering the **Water Act 1989**, make the following Order –

**1. Title**

This Order is called the Bulk Entitlement (Eildon–Goulburn Weir) Conversion Further Additional Amendment Order 2006.

**2. Preliminary**

The Bulk Entitlement (Eildon–Goulburn Weir) Conversion Order 1995 (the Bulk Entitlement Order) was first made by the Governor in Council on 29 August 1995 and published in the Government Gazette G35 dated 7 September 1995 at page 2367.

The Bulk Entitlement Order was then amended by Order made by the Minister on 26 June 2004 and published in the Government Gazette S150 dated 29 June 2004 at page 7 to provide the Minister for Environment with a primary entitlement equivalent to the volume of water saved through the construction and operation of the pipelined supply of water to the Normanville Waterworks District.

The Bulk Entitlement Order was further amended by Order made by the Lieutenant-Governor as the Governor's deputy on 12 October 2004 and published in the Government Gazette G42 dated 14 October 2004 at page 2902 to incorporate the pipelined supply of water to the Normanville Waterworks District, to formalise the supply of water to the Grampians Wimmera Mallee Water Authority, and to make other minor changes.

The Bulk Entitlement Order was further amended by Order made by the Governor in Council on 13 June 2006 and published in the Government Gazette G25 dated 22 June 2006 at page 1300, primarily to incorporate outcomes from the making of the Bulk Entitlement (Loddon River – Environmental Reserve) Order 2005, Bulk Entitlement (Quambatook–Grampians Wimmera–Mallee Water) Order 2006, to specify the restriction rule applicable to water supplies for the East Loddon, West Loddon and the Normanville Waterworks Districts and to make other minor changes.

**3. Purpose**

The purpose of this Order is to amend Schedule 7 to the Bulk Entitlement Order, to specify the revised entitlement for the Normanville Waterworks District and to delete the specification of entitlement for Quambatook which is now explicitly specified in the Bulk Entitlement (Quambatook–Grampians Wimmera–Mallee Water) Order 2006. Schedule 7 was inserted into the Bulk Entitlement Order by the Bulk Entitlement (Eildon–Goulburn Weir) Conversion Further Amendment Order 2004.

**4. Authorising provisions**

This Order is made in accordance with section 44 of the **Water Act 1989**.

**5. Commencement**

This Order comes into operation on the day it is published in the Government Gazette.

**6. Amendment of Schedule 7**

In the Bulk Entitlement Order for Schedule 7 substitute –

**“Schedule 7****Normanville Waterworks District Entitlement**

1. Subject to clause 2 below, Normanville Waterworks District is entitled to a maximum volume of 628 ML per annum measured at the point of supply from Goulburn–Murray Water's Boort No. 5 channel.

2. Where Goulburn–Murray Water is unable to supply the maximum volume specified in clause 1 above, then Goulburn–Murray Water may restrict the supply in accordance with the following restriction formula:

$$\begin{aligned} R &= 0.5 * A && \text{if } S \leq 0.5 \\ &= S * A && \text{if } 0.5 < S < 1.0 \\ &= A && \text{if } S \geq 1.0 \end{aligned}$$

where –

- R = restricted entitlement (ML) for the Normanville Waterworks District,  
 A = full annual entitlement (ML) for the Normanville Waterworks District,  
 S = allocation as determined by Goulburn–Murray Water for the full water rights and licence commitments specified in Schedule 1 to this Order, expressed as a decimal fraction.”.

The Bulk Entitlement (Goulburn System – Snowy Environmental Reserve) Order 2004 (the Bulk Entitlement Order) was first made by the Minister for Water on 26 June 2004 to grant a bulk entitlement of 3600 megalitres per year, to be called an environmental entitlement, to the Minister administering the **Conservation, Forests and Land Act 1987**, resulting from water savings from the implementation of the Normanville Pipeline, to provide increased environmental flows in the Snowy River. The Bulk Entitlement Order was published in the Government Gazette S150 dated 29 June 2004 at page 1.

Schedule 1 to the Bulk Entitlement Order was subsequently amended by Bulk Entitlement (Goulburn System – Snowy Environmental Reserve) Amendment Order 2004 (the Bulk Entitlement Amendment Order 2004), made by the Minister for Water on 23 December 2004 and published in the Government Gazette S284 dated 30 December 2004 at page 1, to include an additional environmental entitlement of 10762 megalitres per year resulting from water savings through the implementation of the Improved Measurement of Small Volumes Supplies to Irrigation Districts Program, in the Goulburn sub-system.
