The Greater Geelong City Council has prepared Amendment C129 to the Greater Geelong Planning Scheme.

In accordance with section 9(2) of the **Planning and Environment Act 1987**, the Minister for Planning authorised the Greater Geelong Council as planning authority to prepare the Amendment.

The land affected by the Amendment is all of the land within the Greater Geelong municipality.

The Amendment introduces a new Municipal Strategic Statement (Clause 21) and makes comprehensive changes to Local Planning Policies (Clause 22). These include the deletion of and/or amendments to existing policies, and the introduction of new policies.

The Amendment also proposes to introduce a significant number of recently developed structure plans and strategies as reference or incorporated documents into the Greater Geelong Planning Scheme, some of which also introduce zoning, overlay and schedule changes.

The new reference or incorporated documents and the associated zoning, overlay and/or schedule changes that form part of this Amendment are detailed below:

Rural Land Use Strategy 2007:

- Rezone all land in the Farming Zone on the Bellarine Peninsula to Rural Conservation Zone Schedule 16.
- Insert a new Schedule 16 to the Rural Conservation Zone which identifies conservation values, specifies the minimum subdivision area, the maximum patron numbers for restaurants, the number of bedrooms for residential hotels, the minimum area for which a permit is required to alter or extend an existing dwelling and the minimum area for which no permit is required to alter or extend an existing building which is used for agriculture.
- Replace the existing Schedules 1 to 15, of the Rural Conservation Zone to specify maximum patron numbers for restaurants and number of bedrooms for residential hotels.
- Replace the existing Schedule to the Farming Zone with a new Schedule to specify minimum lot size provisions for subdivision. The schedule also sets out the minimum area for which no permit is required to use land for a dwelling, being 80 hectares in the northern area of the municipality and 40 hectares in the southern area of the municipality, as defined in the schedule map.

Housing Diversity Strategy 2007:

- Rezone all Residential 1 Zoned land in identified Incremental Change Areas, to the Residential 3 Zone.

- Insert a new Schedule to the Residential 3 Zone, including variances to Standards A5 and B8 (coverage of buildings on a lot), along with B28 (open space provision).
- Replace the existing Schedule to Township Zone to including variances to Standards A5 and B8 (coverage of buildings on a lot) along with B28 (open space provision).
- Remove the Design and Development Overlay Schedule 14 (Dwellings over 7.5 metres) from all land within identified Increased Housing Diversity Areas and from land within the Central Geelong Key Development Area.
- Replace Schedule 14 to the Design and Development Overlay to remove the expiry date.

Heales Rd Framework Plan 2007:

- Rezone approximately 85 hectares of land fronting the Geelong Ring Road from Industrial 2 to Industrial 1 Zone, to cater for the development of a range of industries seeking high amenity, high exposure sites.
- Apply a Design and Development Overlay Schedule 21 to ensure new development responds appropriately to the opportunities and environs of the estate. The schedule also sets out minimum allowable lot sizes in different parts of the estate.

Portarlington Structure Plan 2007:

- Remove the Design and Development Overlay Schedule 14 (Dwellings over 7.5 metres) from residential land with coastal frontage and apply a new Design and Development Overlay Schedule to ensure development responds to its coastal setting.
- Apply a new Design and Development Overlay Schedule 19 to land zoned Business 1 and 2 within the Portarlington Town Centre to ensure development is consistent with the role, function and preferred character of the town centre.

St Leonards Structure Plan 2006:

- Remove the Design and Development Overlay Schedule 14 (Dwellings over 7.5 metres) from residential land with coastal frontage and apply a new Design and Development Overlay to ensure development responds to its coastal setting.
- Apply a new Design and Development Overlay Schedule 18 to land zoned Business 1 within the St Leonards Town Centre to ensure development is consistent with the role, function and preferred character of the town centre.
- St Leonards Golf Course Rezoning (in accordance with directions of Structure Plan):
  - Rezone land at 282–320 Ibbotson Street, St Leonards, from Farming Zone to Special Use Zone 3 (Private Golf Courses).
  - Rezone part of the land at 41 Blanche Street, St Leonards, from Special Use Zone 3 (Private Golf Courses) to Residential 3 Zone to facilitate residential development.
  - Apply a new Development Plan Overlay to land at 41 Blanche Street and 282–320 Ibbotson Street, St Leonards, to provide for the appropriate development of the land.
  - Apply the Design and Development Overlay Schedule 14 (Dwellings over 7.5 metres) to part of the land at 41 Blanche Street, St Leonards.

Indented Heads Structure Plan 2007:

- Rezone land at 313 The Esplanade from Residential 1 Zone to Mixed Use Zone.
- Insert a new Schedule to the Mixed Use Zone to provide an upper limit of the area of land at 313 The Esplanade, Indented Head, that can be used as a shop.

Central Geelong Structure Plan 2007:

- Replace the existing Schedule 2 (Waterfront Geelong) to the Special Use Zone to allow for limited types of shops as a section 2 permit required use, and to remove the condition that a shop must be ancillary to and fully integrated with a hotel.

Study of Open Space Networks 2001:

- Amend the Schedule to Clause 52.01 (Public Open Space Contribution and Subdivision) to require a 10% open space contribution and/or cash in lieu for residential subdivision in areas rezoned for residential use after 31 August 2007. Include a scheduled rate of contribution for all other residential subdivision up to 5% contribution.

Central Geelong Parking Precinct Plan 2007:

  - Prevents the adoption of a different rate for specified uses.
  - Modifies the decision guidelines when exercising discretion for other uses.
  - Requires a financial contribution to be made for car parking spaces which are required but cannot be provided on the land (\$18,322/space, to be indexed).

The following changes and new schedules are proposed to be introduced due to the removal of associated Local Planning Policies:

- Apply a new Industrial Areas Design and Development Overlay, to all land zoned Industrial 1, 2 and 3 and Business 4 within the municipality, to provide for siting and design guidelines for industrial development.
- Apply a new Design and Development Overlay for Breamlea and remove existing Design and Development Overlay 14 Dwellings over 7.5 metres. The new DDO will ensure development responds to its sensitive environmental values, landscape character and discourage further subdivision and medium density housing.
- Apply a new Design and Development Overlay to the residential area in Corio, bounded by Matthews Road, Purnell Road, Plantation Road and the Geelong Ring Road, to provide for a minimum lot size of 1200 sqm and only one dwelling per lot.
- Replace existing Design and Development Overlay 6 to remove the reference to Local Planning Policy 22.16 and include objectives and decision guidelines currently contained in the existing Clause 22.16.

Some of the additional new reference documents that do not inform zoning, overlay or schedule include the Ocean Grove Structure Plan 2007, Retail Strategy 2006, Jetty Road Urban Growth Plan 2007 and Environmental Management Strategy 2006.
