EXEMPTION

Application No. A259/2007

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Corrections Victoria – Department of Justice. The application for exemption is to enable the applicant to advertise and employ Aboriginal or Torres Strait Islanders to fill existing Aboriginal or Torres Strait wellbeing officers roles as they become vacant (the exempt conduct).

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the

applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- VCAT exemption application No. A241/2001 was granted on 1 July 2001. This was granted to CORE – the public Correctional Enterprise. This expired on 18 July 2004.
- Core amalgamated with the Office of Correctional Services and became Corrections Victoria.
- Corrections Victoria is committed to ensuring that Aboriginal and / or Torres Strait Islanders prisoners and offenders access culturally appropriate services that meet with their needs. Due to specific cultural, spiritual and personal needs of Aboriginal prisoners, it is deemed necessary that Aboriginal and/or Torres Strait Islander applicants only to fill the role of these Aboriginal and Torres Strait Islanders Wellbeing Officers.
- These Aboriginal and Torres Strait Islanders Wellbeing Officers are employed as a recommendation incorporated into the Victorian Aboriginal Justice agreement which is administered by the Department of Justice.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 September 2010.

Dated 12 September 2007

Vice President

EXEMPTION

Application No. A267/2007

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act), by the Brian Robinson Foundation, ABN 82 114 980 433 (the applicant). The application for exemption is to enable the applicant to advertise and offer the Brian Robinson Fellowship For Young Persons to persons under the age of 35 years.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 42, 100 and 195 of the Act to enable the applicant to advertise and offer the Brian Robinson Fellowship For Young Persons to persons under the age of 35 years.

In granting this exemption the Tribunal noted:

- As EPA Victoria Chairman for 15 years, Dr Robinson (AM) established broad policies to protect Victoria's air quality, ground water, and freshwater and marine ecosystems, as well as specific policies for Port Phillip Bay, the Yarra River and Westernport Bay. Dr Brian Robinson passed away in May 2004.
- In recognition of Dr Brian Robinson's contribution to Victoria, the State Government, through EPA Victoria and EcoRecycle Victoria, established a Fellowship to nurture young people making a significant contribution to the future sustainability of Victoria. The fellowship is awarded through the Brian Robinson Foundation.
- Committed to serving the people, the core of Dr Robinson's approach was to promote scientific excellence and community involvement in environmental management. He was also a generous mentor to many of Victoria's young scientific and policy minds, which have been shaped by his creativity, knowledge and energy. To continue this nurturing and development of young minds the focus of the Fellowship is towards person/s aged under 35 who may have the potential to one day contribute to state, national and global sustainability, as well as developing leadership potential fostering the sustainability ideal.
- As Dr Brian Robinson was a great supporter of young persons throughout his career, particularly as EPA Chairman, it is appropriate that the fellowship be available to persons under the age of 35 years.
- As the focus of the award is sustainability for future generations, it is appropriate that it be directed towards young persons.

- An exemption was previously granted to the Foundation under the umbrella of the Environment Protection Authority. That exemption will expire on 10 March 2008. The Foundation has now become a separate entity and has applied for a new (but identical) exemption in its own name.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 42, 100 and 195 of the Act to enable the applicant to advertise and offer the Brian Robinson Fellowship For Young Persons to persons under the age of 35 years.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 19 September 2010.
